An exception applies when employment in the United States was interrupted for reasons beyond the individual's control other than lack of a job opportunity or the commuter can demonstrate that he or she has worked 90 days in the United States in the aggregate during the 12-month period preceding the application for admission into the United States. Upon loss of status, the alien's permanent resident card becomes invalid and must be surrendered to an immigration officer.

(c) *Eligibility for benefits under the immigration and nationality laws.* Until he or she has taken up residence in the United States, an alien commuter cannot satisfy the residence requirements of the naturalization laws and cannot qualify for any benefits under the immigration laws on his or her own behalf or on behalf of his or her relatives other than as specified in paragraph (a) of this section. When an alien commuter takes up residence in the United States, he or she shall no longer be regarded as a commuter. He or she may facilitate proof of having taken up such residence by notifying the Service as soon as possible, preferably at the time of his or her first reentry for that purpose. Application for issuance of a new Permanent Resident Card to show that he or she has taken up residence in the United States shall be made in accordance with 8 CFR 264.5.

(p) *Alien in U-1 through U-5 classification.* Individuals seeking U-1 through U-5 nonimmigrant status may avail themselves of the provisions of para-

graph (g) of this section, except that the authority to waive documentary requirements resides with the director of the USCIS office having jurisdiction over the adjudication of Form I-918, “Petition for U Nonimmigrant Status.”

(C) A country or geographic area may not participate in the Guam-CNMI Visa Waiver Program if that country, not later than three weeks after the issuance of a final order of removal, does not accept for repatriation any citizen, former citizen, or national of

the country against whom a final executable order of removal is issued. Nothing in this subparagraph creates any duty for the United States or any right for any alien with respect to removal or release. Nothing in this subparagraph gives rise to any cause of action or claim under this paragraph or any other law against any official of the United States or of any State to compel the release, removal or reconsideration for release or removal of any alien.

(D) DHS may make a determination regarding a country's eligibility based on other factors including, but not limited to, rate of refusal for non-immigrant visas, rate of overstays, cooperation in information exchange with the United States, electronic travel authorizations, and any other factors deemed relevant by DHS.

(ii) *Eligible Countries and Geographic Areas.* Nationals of the following countries are eligible to participate in the Guam-CNMI Visa Waiver Program for purposes of admission to both Guam and the CNMI: Australia, Brunei, Japan, Malaysia, Nauru, New Zealand, Papua New Guinea, Republic of Korea, Singapore, and the United Kingdom. may stop in a territory of the United States en route.

(iii) *Significant Economic Benefit Criteria.* If, in addition to the considerations enumerated under paragraph (q)(2)(i) of this section, DHS determines that the CNMI has received a significant economic benefit from the number of visitors for pleasure from particular countries during the period of May 8, 2007 through May 8, 2008, those countries are eligible to participate in the Guam-CNMI Visa Waiver Program unless the Secretary of Homeland Security determines that such country's inclusion in the Guam-CNMI Visa Waiver Program would represent a threat to the welfare, safety, or security of the United States and its territories.

(iv) *Additional Eligible Countries or Geographic Areas Based on Significant Economic Benefit.* [Reserved]

(3) *Suspension of Program Countries or Geographic Areas.* (i) Suspension of a country or geographic area from the Guam-CNMI Visa Waiver Program may be made on a country-by-country basis for good cause including, but not limited to if: The admissions of visitors from a country have resulted in an unacceptable number of visitors from a country remaining unlawfully in Guam or the CNMI, unlawfully obtaining entry to other parts of the United States, or seeking withholding of removal or seeking asylum; or that visitors from a country pose a risk to law enforcement or security interests, including the enforcement of immigration laws of Guam, the CNMI, or the United States.

(ii) A country or geographic area may be suspended from the Guam-CNMI Visa Waiver Program if that country or geographic area is designated as a Country of Particular Concern under the International Religious Freedom Act of 1998 by the Department of State, or identified by the Department of State as a source country of refugees designated of special humanitarian concern to the United States, pending an evaluation and determination by the Secretary.

(iii) A country or geographic area may be suspended from the Guam-CNMI Visa Waiver Program by the Secretary of Homeland Security, in con-

sultation with the Secretary of the Interior and the Secretary of State, based on the evaluation of all factors the Secretary deems relevant including, but not limited to, electronic travel authorization, procedures for reporting lost and stolen passports, repatriation of aliens, rates of refusal for non-immigrant visitor visas, overstays, exit systems and information exchange.

(4) Admission under this section renders an alien ineligible for:

(i) Adjustment of status to that of a temporary resident or, except as provided by section 245(i) of the Act or as an immediate relative as defined in section 201(b) of the Act, to that of a lawful permanent resident.

(ii) Change of nonimmigrant status; or

(iii) Extension of stay.

(5) *Requirements for transportation lines.* A transportation line bringing any alien to Guam or the CNMI pursuant to this section must:

(i) Enter into a contract on CBP Form I-760, made by the Commissioner of Customs and Border Protection on behalf of the government;

(ii) Transport an alien who is a citizen or national and in possession of a valid unexpired ICAO compliant, machine readable passport of a country enumerated in paragraph (q)(2) of this section;

(iii) Transport an alien only if the alien is in possession of a round trip ticket as defined in paragraph (q)(1)(iv) of this section bearing a confirmed departure date not exceeding forty-five days from the date of admission to Guam or the CNMI which the carrier will unconditionally honor when presented for return passage. This ticket must be:

(A) Valid for a period of not less than one year,

(B) Nonrefundable except in the country in which issued or in the country of the alien's nationality or residence, and

(C) Issued by a carrier which has entered into an agreement described in paragraph (q)(5) of this section.

(iv) Transport an alien in possession of a completed and signed Guam-CNMI Visa Waiver Information Form (CBP Form I-736), and

(v) Transport an alien in possession of completed I-94, Arrival-Departure Record (CBP Form I-94).

(6) *Bonding*. The Secretary may require a bond on behalf of an alien seeking admission under the Guam-CNMI Visa Waiver Program, in addition to the requirements enumerated in this section, when the Secretary deems it appropriate. Such bonds may be required of an individual alien or of an identified subset of participants.

(7) *Maintenance of status*—(i) *Satisfactory departure*. If an emergency prevents an alien admitted under the Guam-CNMI Visa Waiver Program, as set forth in this paragraph (q), from departing from Guam or the CNMI within his or her period of authorized stay, an immigration officer having jurisdiction over the place of the alien's temporary stay may, in his or her discretion, grant a period of satisfactory departure not to exceed 15 days. If departure is accomplished during that period, the alien is to be regarded as having satisfactorily accomplished the visit without overstaying the allotted time.

(8) *Inadmissibility and Deportability*—(i) *Determinations of inadmissibility*. (A) An alien who applies for admission under the provisions of the Guam-CNMI Visa Waiver Program, who is determined by an immigration officer to be inadmissible to Guam or the CNMI under one or more of the grounds of inadmissibility listed in section 212 of the Act (other than for lack of a visa), or who is in possession of and presents fraudulent or counterfeit travel documents, will be refused admission into Guam or the CNMI and removed. Such refusal and removal shall be effected without referral of the alien to an immigration judge for further inquiry, examination, or hearing, except that an alien who presents himself or herself as an applicant for admission to Guam under the Guam-CNMI Visa Waiver Program, who applies for asylum, withholding of removal under section 241(b)(3) of the INA or withholding or deferral of removal under the regulations implementing Article 3 of the United Nations Convention Against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment must be issued a Form I-863, Notice of Referral to Immigration Judge, for a

proceeding in accordance with 8 CFR 208.2(c)(1) and (2). The provisions of 8 CFR subpart 208 subpart A shall not apply to an alien present or arriving in the CNMI seeking to apply for asylum prior to January 1, 2015. No application for asylum may be filed pursuant to section 208 of the Act by an alien present or arriving in the CNMI prior to January 1, 2015; however, aliens physically present in the CNMI during the transition period who express a fear of persecution or torture only may establish eligibility for withholding of removal pursuant to INA 241(b)(3) or pursuant to the regulations implementing Article 3 of the United Nations Convention Against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment.

(B) The removal of an alien under this section may be deferred if the alien is paroled into the custody of a Federal, State, or local law enforcement agency for criminal prosecution or punishment. This section in no way diminishes the discretionary authority of the Secretary enumerated in section 212(d) of the Act.

(C) Refusal of admission under this paragraph shall not constitute removal for purposes of the Act.

(ii) *Determination of deportability*. (A) An alien who has been admitted to either Guam or the CNMI under the provisions of this section who is determined by an immigration officer to be deportable from either Guam or the CNMI under one or more of the grounds of deportability listed in section 237 of the Act, shall be removed from either Guam or the CNMI to his or her country of nationality or last residence. Such removal will be determined by DHS authority that has jurisdiction over the place where the alien is found, and will be effected without referral of the alien to an immigration judge for a determination of deportability, except that an alien admitted to Guam under the Guam-CNMI Visa Waiver Program who applies for asylum or other form of protection from persecution or torture must be issued a Form I-863 for a proceeding in accordance with 8 CFR 208.2(c)(1) and (2). The provisions of 8 CFR part 208 subpart A shall not apply to an alien present or arriving in the CNMI seeking to apply for asylum

prior to January 1, 2015. No application for asylum may be filed pursuant to section 208 of the INA by an alien present or arriving in the CNMI prior to January 1, 2015; however, aliens physically present or arriving in the CNMI prior to January 1, 2015, may apply for withholding of removal under section 241(b)(3) of the Act and withholding and deferral of removal under the regulations implementing Article 3 of the United Nations Convention Against Torture, Inhuman or Degrading Treatment or Punishment.

(B) Removal by DHS under paragraph (b)(1) of this section is equivalent in all respects and has the same consequences as removal after proceedings conducted under section 240 of the Act.

(iii) *Removal of inadmissible aliens who arrived by air or sea.* Removal of an alien from Guam or the CNMI under this section may be effected using the return portion of the round trip passage presented by the alien at the time of entry to Guam and the CNMI. Such removal shall be on the first available means of transportation to the alien's point of embarkation to Guam or the CNMI. Nothing in this part absolves the carrier of the responsibility to remove any inadmissible or deportable alien at carrier expense, as provided in the carrier agreement.

§212.2 Consent to reapply for admission after deportation, removal or departure at Government expense.

(a) *Evidence.* Any alien who has been deported or removed from the United States is inadmissible to the United States unless the alien has remained outside of the United States for five consecutive years since the date of deportation or removal. If the alien has been convicted of an aggravated felony, he or she must remain outside of the United States for twenty consecutive years from the deportation date before he or she is eligible to re-enter the United States. Any alien who has been deported or removed from the United States and is applying for a visa, ad-

mission to the United States, or adjustment of status, must present proof that he or she has remained outside of the United States for the time period required for re-entry after deportation or removal. The examining consular or immigration officer must be satisfied that since the alien's deportation or removal, the alien has remained outside the United States for more than five consecutive years, or twenty consecutive years in the case of an alien convicted of an aggravated felony as defined in section 101(a)(43) of the Act. Any alien who does not satisfactorily present proof of absence from the United States for more than five consecutive years, or twenty consecutive years in the case of an alien convicted of an aggravated felony, to the consular or immigration officer, and any alien who is seeking to enter the United States prior to the completion of the requisite five- or twenty-year absence, must apply for permission to re-apply for admission to the United States as provided under this part. A temporary stay in the United States under section 212(d)(3) of the Act does not interrupt the five or twenty consecutive year absence requirement.

(b) *Alien applying to consular officer for nonimmigrant visa or nonresident alien border crossing card.* (1) An alien who is applying to a consular officer for a nonimmigrant visa or a nonresident alien border crossing card, must request permission to reapply for admission to the United States if five years, or twenty years if the alien's deportation was based upon a conviction for an aggravated felony, have not elapsed since the date of deportation or removal. This permission shall be requested in the manner prescribed through the consular officer, and may be granted only in accordance with sections 212(a)(9)(A) and 212(d)(3)(A) of the Act and 8 CFR 212.4. However, the alien may apply for such permission by submitting an application on the form designated by USCIS with the fee prescribed in 8 CFR 103.7(b)(1), in accordance with the form instructions, to the consular officer if that officer is willing to accept the application, and recommends to the district director that the alien be permitted to apply.

Department of Homeland Security

§212.2

(2) The consular officer shall forward the application to the district director with jurisdiction over the place where the deportation or removal proceedings were held.

(c) *Special provisions for an applicant for nonimmigrant visa under section 101(a)(15)(K) of the Act.* (1) An applicant for a nonimmigrant visa under section 101(a)(15)(K) must:

(i) Be the beneficiary of a valid visa petition approved by the Service; and

(ii) File the application on the form designated by USCIS with the fee prescribed in 8 CFR 103.7(b)(1), in accordance with the form instructions with the consular officer for permission to reapply for admission to the United States after deportation or removal.

(2) The consular officer must forward the application to the designated USCIS office. If the alien is ineligible on grounds which, upon the applicant's marriage to the United States citizen petitioner, may be waived under section 212 (g), (h), or (i) of the Act, the consular officer must also forward a recommendation as to whether the waiver should be granted.

(d) *Applicant for immigrant visa.* Except as provided in paragraph (g)(2) of this section, an applicant for an immigrant visa who is not physically present in the United States and who requires permission to reapply must file the waiver request on the form designated by USCIS. Except as provided in paragraph (g)(2) of this section, if the applicant also requires a waiver under section 212(g), (h), or (i) of the Act, he or she must file both waiver requests simultaneously on the forms designated by USCIS with the fees prescribed in 8 CFR 103.7(b)(1) and in accordance with the form instructions.

(e) *Applicant for adjustment of status.* An applicant for adjustment of status under section 245 of the Act and part 245 of this chapter must request permission to reapply for entry in conjunction with his or her application for adjustment of status. This request is made by filing the application on the form designated by USCIS. If the application under section 245 of the Act has been initiated, renewed, or is pending in a proceeding before an immigration judge, the district director must refer

the application to the immigration judge for adjudication.

(f) *Applicant for admission at port of entry.* An alien may request permission at a port of entry to reapply for admission to the United States within 5 years of the deportation or removal, or 20 years in the case of an alien deported, or removed 2 or more times, or at any time after deportation or removal in the case of an alien convicted of an aggravated felony. The alien must file the , where required, with the DHS officer having jurisdiction over the port of entry.

(g) *Other applicants.* (1) Any applicant for permission to reapply for admission under circumstances other than those described in paragraphs (b) through (f) of this section must apply on the form designated by USCIS with the fee prescribed in 8 CFR 103.7(b)(1) and in accordance with the form instructions.

(2) An alien who is an applicant for parole authorization under 8 CFR 245.15(t)(2) or 8 CFR 245.13(k)(2) and requires consent to reapply for admission after deportation, removal, or departure at Government expense, or a waiver under section 212(g), 212(h), or 212(i) of the Act, must file the requisite waiver form concurrently with the parole request.

(h) *Decision.* An applicant who has submitted a request for consent to reapply for admission after deportation or removal must be notified of the decision. If the application is denied, the applicant must be notified of the reasons for the denial and of his or her right to appeal as provided in part 103 of this chapter. Except in the case of an applicant seeking to be granted advance permission to reapply for admission prior to his or her departure from the United States, the denial of the application shall be without prejudice to the renewal of the application in the course of proceedings before an immigration judge under section 242 of the Act and this chapter.

(i) *Retroactive approval.* (1) If the alien filed the application when seeking admission at a port of entry, the approval of the application shall be retroactive to either:

(i) The date on which the alien embarked or reembarked at a place outside the United States; or

§212.3

8 CFR Ch. I (1–15 Edition)

(ii) The date on which the alien attempted to be admitted from foreign contiguous territory.

(2) If the alien filed Form I-212 in conjunction with an application for adjustment of status under section 245 of the Act, the approval of the application shall be retroactive to the date on which the alien embarked or re-embarked at a place outside the United States.

(j) *Advance approval.* An alien whose departure will execute an order of deportation shall receive a conditional approval depending upon his or her satisfactory departure. However, the grant of permission to reapply does not waive inadmissibility under section 212(a)(9)(A) of the Act resulting from exclusion, deportation, or removal proceedings which are instituted subsequent to the date permission to reapply is granted.

§212.3 Application for the exercise of discretion under section 212(c).

(a) *Jurisdiction.* An application for the exercise of discretion under section 212(c) of the Act must be submitted on the form designated by USCIS with the fee prescribed in 8 CFR 103.7(b)(1) and in accordance with the form instructions. If the application is made in the course of proceedings under sections 235, 236, or 242 of the Act, the application shall be made to the Immigration Court.

(b) *Filing of application.* The application may be filed prior to, at the time of, or at any time after the applicant's departure from or arrival into the United States. All material facts and/or circumstances which the applicant knows or believes apply to the grounds of excludability or deportability must be described. The applicant must also submit all available documentation relating to such grounds.

(c) *Decision of the District Director.* A district director may grant or deny an application for advance permission to return to an unrelinquished domicile under section 212(c) of the Act, in the exercise of discretion, unless otherwise prohibited by paragraph (f) of this section.

The applicant shall be notified of the decision and, if the application is denied, of the reason(s) for denial. No appeal shall lie from denial of the application, but the application may be renewed before an Immigration Judge as provided in paragraph (e) of this section.

(d) *Validity.* Once an application is approved, that approval is valid indefinitely. However, the approval covers only those specific grounds of excludability or deportability that were described in the application. An application who failed to describe any other grounds of excludability or deportability, or failed to disclose material facts existing at the time of the approval of the application, remains excludable or deportable under the previously unidentified grounds. If at a later date, the applicant becomes subject to exclusion or deportation based upon these previously unidentified grounds or upon new ground(s), a new application must be filed.

(e) *Filing or renewal of applications before an Immigration Judge.* (1) An application for the exercise of discretion under section 212(c) of the Act may be renewed or submitted in proceedings before an Immigration Judge under sections 235, 236, or 242 of the Act, and under this chapter. Such application shall be adjudicated by the Immigration Judge, without regard to whether the applicant previously has made application to the district director.

(2) The Immigration Judge may grant or deny an application for advance permission to return to an unrelinquished domicile under section 212(c) of the Act, in the exercise of discretion, unless otherwise prohibited by paragraph (f) of this section.

(3) An alien otherwise entitled to appeal to the Board of Immigration Appeals may appeal the denial by the Immigration Judge of this application in accordance with the provisions of §3.36 of this chapter.

(f) *Limitations on discretion to grant an application under section 212(c) of the Act.* An application for advance permission to enter under section 212 of the Act shall be denied if:

(1) The alien has not been lawfully admitted for permanent residence;

Department of Homeland Security

§ 212.4

(2) The alien has not maintained lawful domicile in the United States, as either a lawful permanent resident or a lawful temporary resident pursuant to section 245A or section 210 of the Act, for at least seven consecutive years immediately preceding the filing of the application;

(3) The alien is subject to exclusion from the United States under paragraphs (3)(A), (3)(B), (3)(C), or (3)(E) of section 212(a) of the Act;

(4) The alien has been convicted of an aggravated felony, as defined by section 101(a)(43) of the Act, and has served a term of imprisonment of at least five years for such conviction; or

(5) The alien applies for relief under section 212(c) within five years of the barring act as enumerated in one or more sections of section 242B(e) (1) through (4) of the Act.

(g) *Relief for certain aliens who were in deportation proceedings before April 24, 1996.* Section 440(d) of Antiterrorism and Effective Death Penalty Act of 1996 (AEDPA) shall not apply to any applicant for relief under this section whose deportation proceedings were commenced before the Immigration Court before April 24, 1996.

[56 FR 50034, Oct. 3, 1991, as amended at 60 FR 34090, June 30, 1995; 61 FR 59825, Nov. 25, 1996; 66 FR 6446, Jan. 22, 2001; 74 FR 26938, June 5, 2009; 76 FR 53787, Aug. 29, 2011]

§ 212.4 Applications for the exercise of discretion under section 212(d)(1) and 212(d)(3).

(a) *Applications under section 212(d)(3)(A)*—(1) *General.* District directors and officers in charge outside the United States in the districts of Bangkok, Thailand; Mexico City, Mexico; and Rome, Italy are authorized to act upon recommendations made by consular officers for the exercise of discretion under section 212(d)(3)(A) of the Act. The District Director, Washington, DC, has jurisdiction in such cases recommended to the Service at the seat-of-government level by the Department of State. When a consular officer or other State Department official recommends that the benefits of section 212(d)(3)(A) of the Act be accorded an alien, neither an application nor fee shall be required. The recommendation shall specify:

(i) The reasons for inadmissibility and each section of law under which the alien is inadmissible;

(ii) Each intended date of arrival;

(iii) The length of each proposed stay in the United States;

(iv) The purpose of each stay;

(v) The number of entries which the alien intends to make; and

(vi) The justification for exercising the authority contained in section 212(d)(3) of the Act.

If the alien desires to make multiple entries and the consular officer or other State Department official believes that the circumstances justify the issuance of a visa valid for multiple entries rather than for a specified number of entries, and recommends that the alien be accorded an authorization valid for multiple entries, the information required by items (ii) and (iii) shall be furnished only with respect to the initial entry. Item (ii) does not apply to a bona fide crewman. The consular officer or other State Department official shall be notified of the decision on his recommendation. No appeal by the alien shall lie from an adverse decision made by a Service officer on the recommendation of a consular officer or other State Department official.

(2) *Authority of consular officers to approve section 212(d)(3)(A) recommendations pertaining to aliens inadmissible under section 212(a)(28)(C).* In certain categories of visa cases defined by the Secretary of State, United States consular officers assigned to visa-issuing posts abroad may, on behalf of the Attorney General pursuant to section 212(d)(3)(A) of the Act, approve a recommendation by another consular officer that an alien be admitted temporarily despite visa ineligibility solely because the alien is of the class of aliens defined at section 212(a)(28)(C) of the Act, as a result of presumed or actual membership in, or affiliation with, an organization described in that section. Authorizations for temporary admission granted by consular officers shall be subject to the terms specified in § 212.4(c) of this chapter. Any recommendation which is not clearly approvable shall, and any recommendation may, be presented to the appropriate official of the Immigration and

§212.4

8 CFR Ch. I (1–15 Edition)

Naturalization Service for a determination.

(b) *Applications under section 212(d)(3)(B).* An application for the exercise of discretion under section 212(d)(3)(B) of the Act shall be submitted on the form designated by USCIS with the fee prescribed in 8 CFR 103.7(b)(1), and in accordance with the form instructions. (For Department of State procedure when a visa is required, see 22 CFR 41.95 and paragraph (a) of this section.) If the application is made because the applicant may be inadmissible due to present or past membership in or affiliation with any Communist or other totalitarian party or organization, there shall be attached to the application a written statement of the history of the applicant's membership or affiliation, including the period of such membership or affiliation, whether the applicant held any office in the organization, and whether his membership or affiliation was voluntary or involuntary. If the applicant alleges that his membership or affiliation was involuntary, the statement shall include the basis for that allegation. When the application is made because the applicant may be inadmissible due to disease, mental or physical defect, or disability of any kind, the application shall describe the disease, defect, or disability. If the purpose of seeking admission to the United States is for treatment, there shall be attached to the application statements in writing to establish that satisfactory treatment cannot be obtained outside the United States; that arrangements have been completed for treatment, and where and from whom treatment will be received; what financial arrangements for payment of expenses incurred in connection with the treatment have been made, and that a bond will be available if required. When the application is made because the applicant may be inadmissible due to the conviction of one or more crimes, the designation of each crime, the date and place of its commission and of the conviction thereof, and the sentence or other judgment of the court shall be stated in the application; in such a case the application shall be supplemented by the official record of each conviction, and any other documents

relating to commutation of sentence, parole, probation, or pardon. If the application is made at the time of the applicant's arrival to the district director at a port of entry, the applicant shall establish that he was not aware of the ground of inadmissibility and that it could not have been ascertained by the exercise of reasonable diligence, and he shall be in possession of a passport and visa, if required, or have been granted a waiver thereof. The applicant shall be notified of the decision and if the application is denied of the reasons therefor and of his right to appeal to the Board within 15 days after the mailing of the notification of decision in accordance with the Provisions of part 3 of this chapter. If denied, the denial shall be without prejudice to renewal of the application in the course of proceedings before a special inquiry officer under sections 235 and 236 of the Act and this chapter. When an appeal may not be taken from a decision of a special inquiry officer excluding an alien but the alien has applied for the exercise of discretion under section 212(d)(3)(B) of the Act, the alien may appeal to the Board from a denial of such application in accordance with the provisions of §236.5(b) of this chapter.

(c) *Terms of authorization—(1) General.* Except as provided in paragraph (c)(2) of this section, each authorization under section 212(d)(3)(A) or (B) of the Act shall specify:

(i) Each section of law under which the alien is inadmissible;

(ii) The intended date of each arrival, unless the applicant is a bona fide crewman. However, if the authorization is valid for multiple entries rather than for a specified number of entries, this information shall be specified only with respect to the initial entry;

(iii) The length of each stay authorized in the United States, which shall not exceed the period justified and shall be subject to limitations specified in 8 CFR part 214. However, if the authorization is valid for multiple entries rather than for a specified number of entries, this information shall be specified only with respect to the initial entry;

(iv) The purpose of each stay;

(v) The number of entries for which the authorization is valid;

Department of Homeland Security

§ 212.4

(vi) Subject to the conditions set forth in paragraph (c)(2) of this section, the dates on or between which each application for admission at POEs in the United States is valid;

(vii) The justification for exercising the authority contained in section 212(d)(3) of the Act; and

(viii) That the authorization is subject to revocation at any time.

(2) *Conditions of admission.* (i) For aliens issued an authorization for temporary admission in accordance with this section, admissions pursuant to section 212(d)(3) of the Act shall be subject to the terms and conditions set forth in the authorization.

(ii) The period for which the alien's admission is authorized pursuant to this section shall not exceed the period justified, or the limitations specified, in 8 CFR part 214 for each class of non-immigrant, whichever is less.

(3) *Validity.* (i) Authorizations granted to crew members may be valid for a maximum period of 2 years for application for admission at U.S. POEs and may be valid for multiple entries.

(ii) An authorization issued in conjunction with an application for a Form DSP-150, B-1/B-2 Visa and Border Crossing Card, issued by the DOS shall be valid for a period not to exceed the validity of the biometric BCC for applications for admission at U.S. POEs and shall be valid for multiple entries.

(iii) A multiple entry authorization for a person other than a crew member or applicant for a Form DSP-150 may be made valid for a maximum period of 5 years for applications for admission at U.S. POEs.

(iv) An authorization that was previously issued in conjunction with Form I-185, Nonresident Alien Canadian Border Crossing Card, and that is noted on the card may remain valid. Although the waiver may remain valid, the non-biometric border crossing card portion of this document is not valid after that date. This waiver authorization shall cease if otherwise revoked or voided.

(v) A single-entry authorization to apply for admission at a U.S. POE shall not be valid for more than 6 months from the date the authorization is issued.

(vi) An authorization may not be re-validated. Upon expiration of the authorization, a new application and authorization are required.

(d) *Admission of groups inadmissible under section 212(a)(28) for attendance at international conferences.* When the Secretary of State recommends that a group of nonimmigrant aliens and their accompanying family members be admitted to attend international conferences notwithstanding their inadmissibility under section 212(a)(28) of the Act, the Deputy Commissioner, may enter an order pursuant to the authority contained in section 212(d)(3)(A) of the Act specifying the terms and conditions of their admission and stay.

(e) *Inadmissibility under section 212(a)(1)(A)(iii).* Pursuant to the authority contained in section 212(d)(3) of the Act, the temporary admission of a non-immigrant visitor is authorized notwithstanding inadmissibility under section 212(a)(1)(A)(iii)(I) or (II) of the Act due to a mental disorder and associated threatening or harmful behavior, if such alien is accompanied by a member of his/her family, or a guardian who will be responsible for him/her during the period of admission authorized.

(f) *Inadmissibility under section 212(a)(1) for aliens inadmissible due to HIV—(1) General.* Pursuant to the authority in section 212(d)(3)(A)(i) of the Act, any alien who is inadmissible under section 212(a)(1)(A)(i) of the Act due to infection with the etiologic agent for acquired immune deficiency syndrome (HIV infection) may be issued a B-1 (business visitor) or B-2 (visitor for pleasure) nonimmigrant visa by a consular officer or the Secretary of State, and be authorized for temporary admission into the United States for a period not to exceed 30 days, subject to authorization of an additional period or periods under paragraph (f)(5) of this section, provided that the authorization is granted in accordance with paragraphs (f)(2) through (f)(7) of this section. Application under this paragraph (f) may not be combined with any other waiver of inadmissibility.

(2) *Conditions.* An alien who is HIV-positive who applies for a nonimmigrant visa before a consular officer may be issued a B-1 (business visitor) or B-2 (visitor for pleasure) nonimmigrant visa and admitted to the United States for a period not to exceed 30 days, provided that the applicant establishes that:

(i) The applicant has tested positive for HIV;

(ii) The applicant is not currently exhibiting symptoms indicative of an active, contagious infection associated with acquired immune deficiency syndrome;

(iii) The applicant is aware of, has been counseled on, and understands the nature, severity, and the communicability of his or her medical condition;

(iv) The applicant's admission poses a minimal risk of danger to the public health in the United States and poses a minimal risk of danger of transmission of the infection to any other person in the United States;

(v) The applicant will have in his or her possession, or will have access to, as medically appropriate, an adequate supply of antiretroviral drugs for the anticipated stay in the United States and possesses sufficient assets, such as insurance that is accepted in the United States, to cover any medical care that the applicant may require in the event of illness at any time while in the United States;

(vi) The applicant's admission will not create any cost to the United States, or a state or local government, or any agency thereof, without the prior written consent of the agency;

(vii) The applicant is seeking admission solely for activities that are consistent with the B-1 (business visitor) or B-2 (visitor for pleasure) nonimmigrant classification;

(viii) The applicant is aware that no single admission to the United States will be for a period that exceeds 30 days (subject to paragraph (f)(5) of this section);

(ix) The applicant is otherwise admissible to the United States and no other ground of inadmissibility applies;

(x) The applicant is aware that he or she cannot be admitted under section 217 of the Act (Visa Waiver Program);

(xi) The applicant is aware that any failure to comply with any condition of admission set forth under this paragraph (f) will thereafter make him or her ineligible for authorization under this paragraph; and

(xii) The applicant, for the purpose of admission pursuant to authorization under this paragraph (f), waives any opportunity to apply for an extension of nonimmigrant stay (except as provided in paragraph (f)(5) of this section), a change of nonimmigrant status, or adjustment of status to that of permanent resident.

(A) Nothing in this paragraph (f) precludes an alien admitted under this paragraph (f) from applying for asylum pursuant to section 208 of the Act.

(B) Any alien admitted under this paragraph (f) who applies for adjustment of status under section 209 of the Act after being granted asylum must establish his or her eligibility to adjust status under all applicable provisions of the Act and 8 CFR part 209. Any applicable ground of inadmissibility must be waived by approval of an appropriate waiver(s) under section 209(c) of the Act and 8 CFR 209.2(b).

(C) Nothing within this paragraph (f) constitutes a waiver of inadmissibility under section 209 of the Act or 8 CFR part 209.

(3) *Nonimmigrant visa.* A nonimmigrant visa issued to the applicant for purposes of temporary admission under section 212(d)(3)(A)(i) of the Act and this paragraph (f) may not be valid for more than 12 months or for more than two applications for admission during the 12-month period. The authorized period of stay will be for 30 calendar days calculated from the initial admission under this visa.

(4) *Application at U.S. port.* If otherwise admissible, a holder of the nonimmigrant visa issued under section 212(d)(3)(A)(i) of the Act and this paragraph (f) is authorized to apply for admission at a United States port of entry at any time during the period of validity of the visa in only the B-1 (business visitor) or B-2 (visitor for pleasure) nonimmigrant categories.

(5) *Admission limited; satisfactory departure.* Notwithstanding any other provision of this chapter, no single period of admission under section

212(d)(3)(A)(i) of the Act and this paragraph (f) may be authorized for more than 30 days; if an emergency prevents a nonimmigrant alien admitted under this paragraph (f) from departing from the United States within his or her period of authorized stay, the director (or other appropriate official) having jurisdiction over the place of the alien's temporary stay may, in his or her discretion, grant an additional period (or periods) of satisfactory departure, each such period not to exceed 30 days. If departure is accomplished during that period, the alien is to be regarded as having satisfactorily accomplished the visit without overstaying the allotted time.

(6) *Failure to comply.* No authorization under section 212(d)(3)(A)(i) of the Act and this paragraph (f) may be provided to any alien who has previously failed to comply with any condition of an admission authorized under this paragraph.

(7) *Additional limitations.* The Secretary of Homeland Security or the Secretary of State may require additional evidence or impose additional conditions on granting authorization for temporary admissions under this paragraph (f) as international (or other relevant) conditions may indicate.

(8) *Option for case-by-case determination.* If the applicant does not meet the criteria under this paragraph (f), or does not wish to agree to the conditions for the streamlined 30-day visa under this paragraph (f), the applicant may elect to utilize the process described in either paragraph (a) or (b) of this section, as applicable.

(g) *Action upon alien's arrival.* Upon admitting an alien who has been granted the benefits of section 212(d)(3)(A) of the Act, the immigration officer shall be guided by the conditions and limitations imposed in the authorization and noted by the consular officer in the alien's passport. When admitting any alien who has been granted the benefits of section 212(d)(3)(B) of the Act, the Immigration officer shall note on the arrival-departure record, Form I-94 (see § 1.4), or crewman's landing permit, Form I-95, issued to the alien, the conditions and limitations imposed in the authorization.

(h) *Authorizations issued to crewmen without limitation as to period of validity.* When a crewman who has a valid section 212(d)(3) authorization without any time limitation comes to the attention of the Service, his travel document shall be endorsed to show that the validity of his section 212(d)(3) authorization expires as of a date six months thereafter, and any previously-issued Form I-184 shall be lifted and Form I-95 shall be issued in its place and similarly endorsed.

(i) *Revocation.* The Deputy Commissioner or the district director may at any time revoke a waiver previously authorized under section 212(d)(3) of the Act and shall notify the nonimmigrant in writing to that effect.

(j) *Alien witnesses and informants—(1) Waivers under section 212(d)(1) of the Act.* Upon the application of a federal or state law enforcement authority ("LEA"), which shall include a state or federal court or United States Attorney's Office, pursuant to the filing for nonimmigrant classification described in section 101(a)(15)(S) of the Act, USCIS will determine whether a ground of exclusion exists with respect to the alien for whom classification is sought and, if so, whether it is in the national interest to exercise the discretion to waive the ground of excludability, other than section 212(a)(3)(E) of the Act. USCIS may at any time revoke a waiver previously authorized under section 212(d)(1) of the Act. In the event USCIS decides to revoke a previously authorized waiver for an S nonimmigrant, the Assistant Attorney General, Criminal Division, and the relevant LEA shall be notified in writing to that effect. The Assistant Attorney General, Criminal Division, shall concur in or object to the decision. Unless the Assistant Attorney General, Criminal Division, objects within 7 days, he or she shall be deemed to have concurred in the decision. In the event of an objection by the Assistant Attorney General, Criminal Division, the matter will be expeditiously referred to the Deputy Attorney General for a final resolution. In no circumstances shall the alien or the relevant LEA have a right of appeal from any decision to revoke.

§212.5

8 CFR Ch. I (1–15 Edition)

(2) *Grounds of removal.* Nothing shall prohibit the Service from removing from the United States an alien classified pursuant to section 101(a)(15)(S) of the Act for conduct committed after the alien has been admitted to the United States as an S nonimmigrant, or after the alien's change to S classification, or for conduct or a condition undisclosed to the Attorney General prior to the alien's admission in, or change to, S classification, unless such conduct or condition is waived prior to admission and classification. In the event USCIS decides to remove an S nonimmigrant from the United States, the Assistant Attorney General, Criminal Division, and the relevant LEA shall be notified in writing to that effect. The Assistant Attorney General, Criminal Division, shall concur in or object to that decision. Unless the Assistant Attorney General, Criminal Division, objects within 7 days, he or she shall be deemed to have concurred in the decision. In the event of an objection by the Assistant Attorney General, Criminal Division, the matter will be expeditiously referred to the Deputy Attorney General for a final resolution. In no circumstances shall the alien or the relevant LEA have a right of appeal from any decision to remove.

§212.5 Parole of aliens into the United States.

(a) The authority of the Secretary to continue an alien in custody or grant parole under section 212(d)(5)(A) of the Act shall be exercised by the Assistant Commissioner, Office of Field Operations; Director, Detention and Removal; directors of field operations; port directors; special agents in charge; deputy special agents in charge; associate special agents in charge; assistant special agents in charge; resident agents in charge; field office directors; deputy field office directors; chief patrol agents; district directors for services; and those other officials as may

be designated in writing, subject to the parole and detention authority of the Secretary or his designees. The Secretary or his designees may invoke, in the exercise of discretion, the authority under section 212(d)(5)(A) of the Act.

(b) The parole of aliens within the following groups who have been or are detained in accordance with §235.3(b) or (c) of this chapter would generally be justified only on a case-by-case basis for “urgent humanitarian reasons” or “significant public benefit,” provided the aliens present neither a security risk nor a risk of absconding:

(1) Aliens who have serious medical conditions in which continued detention would not be appropriate;

(2) Women who have been medically certified as pregnant;

(3) Aliens who are defined as juveniles in §236.3(a) of this chapter. The Director, Detention and Removal; directors of field operations; field office directors; deputy field office directors; or chief patrol agents shall follow the guidelines set forth in §236.3(a) of this chapter and paragraphs (b)(3)(i) through (iii) of this section in determining under what conditions a juvenile should be paroled from detention:

(i) Juveniles may be released to a relative (brother, sister, aunt, uncle, or grandparent) not in Service detention who is willing to sponsor a minor and the minor may be released to that relative notwithstanding that the juvenile has a relative who is in detention.

(ii) If a relative who is not in detention cannot be located to sponsor the minor, the minor may be released with an accompanying relative who is in detention.

(iii) If the Service cannot locate a relative in or out of detention to sponsor the minor, but the minor has identified a non-relative in detention who accompanied him or her on arrival, the question of releasing the minor and the accompanying non-relative adult shall be addressed on a case-by-case basis;

(4) Aliens who will be witnesses in proceedings being, or to be, conducted by judicial, administrative, or legislative bodies in the United States; or

Department of Homeland Security

§212.5

(5) Aliens whose continued detention is not in the public interest as determined by those officials identified in paragraph (a) of this section.

(c) In the case of all other arriving aliens, except those detained under §235.3(b) or (c) of this chapter and paragraph (b) of this section, those officials listed in paragraph (a) of this section may, after review of the individual case, parole into the United States temporarily in accordance with section 212(d)(5)(A) of the Act, any alien applicant for admission, under such terms and conditions, including those set forth in paragraph (d) of this section, as he or she may deem appropriate. An alien who arrives at a port-of-entry and applies for parole into the United States for the sole purpose of seeking adjustment of status under section 245A of the Act, without benefit of advance authorization as described in paragraph (f) of this section shall be denied parole and detained for removal in accordance with the provisions of §235.3(b) or (c) of this chapter. An alien seeking to enter the United States for the sole purpose of applying for adjustment of status under section 210 of the Act shall be denied parole and detained for removal under §235.3(b) or (c) of this chapter, unless the alien has been recommended for approval of such application for adjustment by a consular officer at an Overseas Processing Office.

(d) *Conditions.* In any case where an alien is paroled under paragraph (b) or (c) of this section, those officials listed in paragraph (a) of this section may require reasonable assurances that the alien will appear at all hearings and/or depart the United States when required to do so. Not all factors listed need be present for parole to be exercised. Those officials should apply reasonable discretion. The consideration of all relevant factors includes:

(1) The giving of an undertaking by the applicant, counsel, or a sponsor to ensure appearances or departure, and a bond may be required on Form I-352 in such amount as may be deemed appropriate;

(2) Community ties such as close relatives with known addresses; and

(3) Agreement to reasonable conditions (such as periodic reporting of whereabouts).

(e) *Termination of parole*—(1) *Automatic.* Parole shall be automatically terminated without written notice (i) upon the departure from the United States of the alien, or, (ii) if not departed, at the expiration of the time for which parole was authorized, and in the latter case the alien shall be processed in accordance with paragraph (e)(2) of this section except that no written notice shall be required.

(2)(i) *On notice.* In cases not covered by paragraph (e)(1) of this section, upon accomplishment of the purpose for which parole was authorized or when in the opinion of one of the officials listed in paragraph (a) of this section, neither humanitarian reasons nor public benefit warrants the continued presence of the alien in the United States, parole shall be terminated upon written notice to the alien and he or she shall be restored to the status that he or she had at the time of parole. When a charging document is served on the alien, the charging document will constitute written notice of termination of parole, unless otherwise specified. Any further inspection or hearing shall be conducted under section 235 or 240 of the Act and this chapter, or any order of exclusion, deportation, or removal previously entered shall be executed. If the exclusion, deportation, or removal order cannot be executed within a reasonable time, the alien shall again be released on parole unless in the opinion of the official listed in paragraph (a) of this section the public interest requires that the alien be continued in custody.

(ii) An alien who is granted parole into the United States after enactment of the Immigration Reform and Control Act of 1986 for other than the specific purpose of applying for adjustment of status under section 245A of the Act shall not be permitted to avail him or herself of the privilege of adjustment thereunder. Failure to abide by this provision through making such an application will subject the alien to termination of parole status and institution of proceedings under sections 235 and 236 of the Act without the written

§ 212.6

8 CFR Ch. I (1–15 Edition)

notice of termination required by § 212.5(e)(2)(i) of this chapter.

(iii) Any alien granted parole into the United States so that he or she may transit through the United States in the course of removal from Canada shall have his or her parole status terminated upon notice, as specified in 8 CFR 212.5(e)(2)(i), if he or she makes known to an immigration officer of the United States a fear of persecution or an intention to apply for asylum. Upon termination of parole, any such alien shall be regarded as an arriving alien, and processed accordingly by the Department of Homeland Security.

(f) *Advance authorization.* When parole is authorized for an alien who will travel to the United States without a visa, the alien shall be issued an appropriate document authorizing travel.

(g) *Parole for certain Cuban nationals.* Notwithstanding any other provision respecting parole, the determination whether to release on parole, or to revoke the parole of, a native of Cuba who last came to the United States between April 15, 1980, and October 20, 1980, shall be governed by the terms of § 212.12.

(h) *Effect of parole of Cuban and Haitian nationals.* (1) Except as provided in paragraph (h)(2) of this section, any national of Cuba or Haiti who was paroled into the United States on or after October 10, 1980, shall be considered to have been paroled in the special status for nationals of Cuba or Haiti, referred to in section 501(e)(1) of the Refugee Education Assistance Act of 1980, Public Law 96-422, as amended (8 U.S.C. 1522 note).

(2) A national of Cuba or Haiti shall not be considered to have been paroled in the special status for nationals of Cuba or Haiti, referred to in section 501(e)(1) of the Refugee Education Assistance Act of 1980, Public Law 96-422, as amended, if the individual was paroled into the United States:

(i) In the custody of a Federal, State or local law enforcement or prosecutorial authority, for purposes of criminal prosecution in the United States; or

(ii) Solely to testify as a witness in proceedings before a judicial, adminis-

trative, or legislative body in the United States.

§ 212.6 Border crossing identification cards.

(a) *Application for Form DSP-150, B-1/B-2 Visa and Border Crossing Card, issued by the Department of State.* A citizen of Mexico, who seeks to travel temporarily to the United States for business or pleasure without a visa and passport, must apply to the DOS on Form DS-156, Visitor Visa Application, to obtain a Form DSP-150 in accordance with the applicable DOS regulations at 22 CFR 41.32 and/or instructions.

(b) *Use—(1) Application for admission with Non-resident Canadian Border Crossing Card, Form I-185, containing separate waiver authorization; Canadian residents bearing DOS-issued combination B-1/B-2 visa and border crossing card (or similar stamp in a passport).* (i) A Canadian citizen or other person sharing common nationality with Canada and residing in Canada who presents a Form I-185 that contains a separate notation of a waiver authorization issued pursuant to § 212.4 may be admitted on the basis of the waiver, provided the waiver has not expired or otherwise been revoked or voided. Although the waiver may remain valid on or after October 1, 2002, the non-biometric border crossing card portion of the document is not valid after that date.

(ii) A Canadian resident who presents a combination B-1/B-2 visa and border crossing card (or similar stamp in a passport) issued by the DOS prior to April 1, 1998, that does not contain a machine-readable biometric identifier, may be admitted on the basis of the nonimmigrant visa only, provided it has not expired and the alien remains otherwise admissible.

(2) *Application for admission by a national of Mexico—Form DSP-150 issued by the DOS; DOS-issued combination B-1/B-2 visa and border crossing card (or similar stamp in a passport).* (i) The rightful

holder of a Form DSP-150 issued by the DOS may be admitted under §235.1(f) of this chapter if found otherwise admissible and if the biometric identifier contained on the card matches the appropriate biometric characteristic of the alien.

(ii) The bearer of a combination B-1/B-2 nonimmigrant visa and border crossing card (or similar stamp in a passport) issued by DOS prior to April 1, 1998, that does not contain a machine-readable biometric identifier, may be admitted on the basis of the nonimmigrant visa only, provided it has not expired and the alien remains otherwise admissible. A passport is also required.

(iii) Any alien seeking admission as a visitor for business or pleasure, must also present a valid passport with his or her border crossing card, and shall be issued a Form I-94 (see §1.4) if the alien is applying for admission from:

(A) A country other than Mexico or Canada, or

(B) Canada if the alien has been in a country other than the United States or Canada since leaving Mexico.

(c) *Validity.* Forms I-185, I-186, and I-586 are invalid on or after October 1, 2002. If presented on or after that date, these documents will be voided at the POE.

(d) *Voidance for reasons other than expiration of the validity of the form—*(1) *At a POE.* (i) In accordance with 22 CFR 41.122, a Form DSP-150 or combined B-1/B-2 visitor visa and non-biometric border crossing identification card or (a similar stamp in a passport), issued by the DOS, may be physically cancelled and voided by a supervisory immigration officer at a POE if it is considered void pursuant to section 222(g) of the Act when presented at the time of application for admission, or as the alien departs the United States. If the card is considered void and if the applicant for admission is not otherwise subject to expedited removal in accordance with 8 CFR part 235, the applicant shall be advised in writing that he or she may request a hearing before an immigration judge. The purpose of the hearing shall be to determine his/her admissibility in accordance with §235.6 of this chapter. The applicant may be represented at this hearing by an at-

torney of his/her own choice at no expense to the Government. He or she shall also be advised of the availability of free legal services provided by organizations and attorneys qualified under 8 CFR part 3, and organizations recognized under §292.2 of this chapter located in the district where the removal hearing is to be held. If the applicant requests a hearing, the Form DSP-150 or combined B-1/B-2 visitor visa and non-biometric border crossing identification card (or similar stamp in a passport), issued by the DOS, shall be held by the Service for presentation to the immigration judge.

(ii) If the applicant chooses not to have a hearing, the Form DSP-150 or combined B-1/B-2 visitor visa and non-biometric BCC (or similar stamp in a passport) issued by the DOS, shall be voided and physically cancelled. The alien to whom the card or stamp was issued by the DOS shall be notified of the action taken and the reasons for such action by means of Form I-275, Withdrawal of Application for Admission/Consular Notification, delivered in person or by mailing the Form I-275 to the last known address. The DOS shall be notified of the cancellation of the biometric Form DSP-150 or combined B-1/B-2 visitor visa and non-biometric BCC (or similar stamp in a passport) issued by DOS, by means of a copy of the original Form I-275. Nothing in this paragraph limits the Service's ability to remove an alien pursuant to 8 CFR part 235 where applicable.

(2) *Within the United States.* In accordance with former section 242 of the Act (before amended by section 306 of the IIRIRA of 1996, Div. C, Public Law 104-208, 110 Stat. 3009 (Sept. 30, 1996.) or current sections 235(b), 238, and 240 of the Act, if the holder of a Form DSP-150, or other combined B-1/B-2 visa and BCC, or (similar stamp in a passport) issued by the DOS, is placed under removal proceedings, no action to cancel the card or stamp shall be taken pending the outcome of the hearing. If the alien is ordered removed or granted voluntary departure, the card or stamp shall be physically cancelled and voided by an immigration officer. In the case of an alien holder of a BCC who is granted voluntary departure without a hearing, the card shall be declared void

and physically cancelled by an immigration officer who is authorized to issue a Notice to Appear or to grant voluntary departure.

(3) *In Mexico or Canada.* Forms I-185, I-186 or I-586 issued by the Service and which are now invalid, or a Form DSP-150 or combined B-1/B-2 visitor visa and non-biometric BCC, or (similar stamp in a passport) issued by the DOS may be declared void by United States consular officers or United States immigration officers in Mexico or Canada.

(4) *Grounds.* Grounds for voidance of a Form I-185, I-186, I-586, a DOS-issued non-biometric BCC, or the biometric Form DSP-150 shall be that the holder has violated the immigration laws; that he/she is inadmissible to the United States; that he/she has abandoned his/her residence in the country upon which the card was granted; or if the BCC is presented for admission on or after October 1, 2002, it does not contain a machine-readable biometric identifier corresponding to the bearer and is invalid on or after October 1, 2002.

(e) *Replacement.* If a valid Border Crossing Card (Forms I-185, I-186, or I-586) previously issued by the Service, a non-biometric border crossing card issued by the DOS before April 1998, or a Form DSP-150 issued by the DOS has been lost, stolen, mutilated, or destroyed, the person to whom the card was issued may apply for a new card as provided for in the DOS regulations found at 22 CFR 41.32 and 22 CFR 41.103.

[67 FR 71448, Dec. 2, 2002, as amended at 78 FR 18472, Mar. 27, 2013]

§ 212.7 Waiver of certain grounds of inadmissibility.

(a) *Filing and adjudication of waivers under sections 212(g), (h), or (i) of the Act.* (1) *Application.* Except as provided by 8 CFR 212.7(e), an applicant for an immigrant visa, adjustment of status, or a K or V nonimmigrant visa who is inadmissible under any provision of section 212(a) of the Act for which a waiver is available under section 212 of the Act may apply for the related waiver by filing the form designated by USCIS, with the fee prescribed in 8 CFR 103.7(b)(1), and in accordance with the form instructions. Certain immi-

grants may apply for a provisional unlawful presence waiver of inadmissibility as specified in 8 CFR 212.7(e).

(2) *Termination of application for lack of prosecution.* An applicant may withdraw the application at any time prior to the final decision, whereupon the case will be closed and the consulate notified. If the applicant fails to prosecute the application within a reasonable time either before or after interview the applicant shall be notified that if he or she fails to prosecute the application within 30 days the case will be closed subject to being reopened at the applicant's request. If no action has been taken within the 30-day period immediately thereafter, the case will be closed and the appropriate consul notified.

(3) *Decision.* If the waiver application is denied, USCIS will provide a written decision and notify the applicant and his or her attorney or accredited representative and will advise the applicant of appeal procedures, if any, in accordance with 8 CFR 103.3. The denial of a provisional unlawful presence waiver is governed by 8 CFR 212.7(e).

(4) *Validity.* (i) A provisional unlawful presence waiver granted according to paragraph (e) of this section is valid subject to the terms and conditions as specified in paragraph (e) of this section. In any other case, approval of an immigrant waiver of inadmissibility under this section applies only to the grounds of inadmissibility, and the related crimes, events, or incidents that are specified in the application for waiver.

(ii) Except for K-1 and K-2 nonimmigrants and aliens lawfully admitted for permanent residence on a conditional basis, an immigrant waiver of inadmissibility is valid indefinitely, even if the applicant later abandons or otherwise loses lawful permanent resident status.

(iii) For a K-1 or K-2 nonimmigrant, approval of the waiver is conditioned on the K-1 nonimmigrant marrying the petitioner; if the K-1 nonimmigrant marries the K nonimmigrant petitioner, the waiver becomes valid indefinitely, subject to paragraph (a)(4)(iv) of this section, even if the applicant later abandons or otherwise loses lawful permanent resident status. If the K-1 does

not marry the K nonimmigrant petitioner, the K-1 and K-2 nonimmigrants remain inadmissible for purposes of any application for a benefit on any basis other than the proposed marriage between the K-1 and the K nonimmigrant petitioner.

(iv) For an alien lawfully admitted for permanent residence on a conditional basis under section 216 of the Act, removal of the conditions on the alien's status renders the waiver valid indefinitely, even if the applicant later abandons or otherwise loses lawful permanent resident status. Termination of the alien's status as an alien lawfully admitted for permanent residence on a conditional basis also terminates the validity of a waiver of inadmissibility based on sections 212(h) or 212(i) of the Act that was granted to the alien. Separate notification of the termination of the waiver is not required when an alien is notified of the termination of residence under section 216 of the Act, and no appeal will lie from the decision to terminate the waiver on this basis. If the alien challenges the termination in removal proceedings, and the removal proceedings end in the restoration of the alien's status, the waiver will become effective again.

(v) Nothing in this subsection precludes USCIS from reopening and reconsidering a decision if the decision is determined to have been made in error.

(b) *Section 212(g) waivers for certain medical conditions.* (1) *Application.* Any alien who is inadmissible under section 212(a)(1)(A)(i), (ii), or (iii) of the Act and who is eligible for a waiver under section 212(g) of the Act may file an application as described in paragraph (a)(1) of this section. The family member specified in section 212(g) of the Act may file the waiver application for the applicant if the applicant is incompetent to file the waiver personally.

(2) *Section 212(a) (1) or (3) (certain mental conditions)*—(i) *Arrangements for submission of medical report.* If the alien is excludable under section 212(a)(1)(A)(iii) of the Act he or his sponsoring family member shall submit a waiver request with a statement that arrangements have been made for the submission to that office of a medical report. The medical report shall contain a complete medical history of

the alien, including details of any hospitalization or institutional care or treatment for any physical or mental condition; findings as to the current physical condition of the alien, including reports of chest X-ray examination and of serologic test for syphilis if the alien is 15 years of age or over, and other pertinent diagnostic tests; and findings as to the current mental condition of the alien, with information as to prognosis and life expectancy and with a report of a psychiatric examination conducted by a psychiatrist who shall, in case of mental retardation, also provide an evaluation of the alien's intelligence. For an alien with a past history of mental illness, the medical report shall also contain available information on which the U.S. Public Health Service can base a finding as to whether the alien has been free of such mental illness for a period of time sufficient in the light of such history to demonstrate recovery.

(ii) *Submission of statement.* Upon being notified that the medical report has been reviewed by the U.S. Public Health Service and determined to be acceptable, the alien or the alien's sponsoring family member shall submit a statement to the consular or Service office. The statement must be from a clinic, hospital, institution, specialized facility, or specialist in the United States approved by the U.S. Public Health Service. The alien or alien's sponsor may be referred to the mental retardation or mental health agency of the state of proposed residence for guidance in selecting a post-arrival medical examining authority who will complete the evaluation and provide an evaluation report to the Centers for Disease Control. The statement must specify the name and address of the specialized facility, or specialist, and must affirm that:

(A) The specified facility or specialist agrees to evaluate the alien's mental status and prepare a complete report of the findings of such evaluation.

(B) The alien, the alien's sponsoring family member, or another responsible person has made complete financial arrangements for payment of any charges that may be incurred after arrival for studies, care, training and service;

(C) The Director, Division of Quarantine, Center for Prevention Services, Centers for Disease Control, Atlanta, GA. 30333 shall be furnished:

(1) The report evaluating the alien's mental status within 30 days after the alien's arrival; and

(2) Prompt notification of the alien's failure to report to the facility or specialist within 30 days after being notified by the U.S. Public Health Service that the alien has arrived in the United States.

(D) The alien shall be in an outpatient, inpatient, study, or other specified status as determined by the responsible local physician or specialist during the initial evaluation.

(3) *Assurances: Bonds.* In all cases under paragraph (b) of this section the alien or his or her sponsoring family member shall also submit an assurance that the alien will comply with any special travel requirements as may be specified by the U.S. Public Health Service and that, upon the admission of the alien into the United States, he or she will proceed directly to the facility or specialist specified for the initial evaluation, and will submit to such further examinations or treatment as may be required, whether in an outpatient, inpatient, or other status. The alien, his or her sponsoring family member, or other responsible person shall provide such assurances or bond as may be required to assure that the necessary expenses of the alien will be met and that he or she will not become a public charge. For procedures relating to cancellation or breaching of bonds, see part 103 of this chapter.

(c) *Section 212(e).* (1) An alien who was admitted to the United States as an exchange visitor, or who acquired that status after admission, is subject to the foreign residence requirement of section 212(e) of the Act if his or her participation in an exchange program was financed in whole or in part, directly or indirectly, by a United States government agency or by the government of the country of his or her nationality or last foreign residence.

(2) An alien is also subject to the foreign residence requirement of section 212(e) of the Act if at the time of admission to the United States as an exchange visitor or at the time of acqui-

sition of exchange visitor status after admission to the United States, the alien was a national or lawful permanent resident of a country which the Director of the United States Information Agency had designated, through public notice in the *FEDERAL REGISTER*, as clearly requiring the services of persons engaged in the field of specialized knowledge or skill in which the alien was to engage in his or her exchange visitor program.

(3) An alien is also subject to the foreign residence requirement of section 212(e) of the Act if he or she was admitted to the United States as an exchange visitor on or after January 10, 1977 to receive graduate medical education or training, or following admission, acquired such status on or after that date for that purpose. However, an exchange visitor already participating in an exchange program of graduate medical education or training as of January 9, 1977 who was not then subject to the foreign residence requirement of section 212(e) and who proceeds or has proceeded abroad temporarily and is returning to the United States to participate in the same program, continues to be exempt from the foreign residence requirement.

(4) A spouse or child admitted to the United States or accorded status under section 101(a)(15)(J) of the Act to accompany or follow to join an exchange visitor who is subject to the foreign residence requirement of section 212(e) of the Act is also subject to that requirement.

(5) An alien who is subject to the foreign residence requirement and who believes that compliance therewith would impose exceptional hardship upon his/her spouse or child who is a citizen of the United States or a lawful permanent resident alien, or that he or she cannot return to the country of his or her nationality or last residence because he or she will be subject to persecution on account of race, religion, or political opinion, may apply for a waiver on the form designated by USCIS. The alien's spouse and minor children, if also subject to the foreign residence requirement, may be included in the application, provided the spouse has not been a participant in an exchange program.

(6) Each application based upon a claim to exceptional hardship must be accompanied by the certificate of marriage between the applicant and his or her spouse and proof of legal termination of all previous marriages of the applicant and spouse; the birth certificate of any child who is a United States citizen or lawful permanent resident alien, if the application is based upon a claim of exceptional hardship to a child, and evidence of the United States citizenship of the applicant's spouse or child, when the application is based upon a claim of exceptional hardship to a spouse or child who is a citizen of the United States.

(7) Evidence of United States citizenship and of status as a lawful permanent resident shall be in the form provided in part 204 of this chapter. An application based upon exceptional hardship shall be supported by a statement, dated and signed by the applicant, giving a detailed explanation of the basis for his or her belief that his or her compliance with the foreign residence requirement of section 212(e) of the Act, as amended, would impose exceptional hardship upon his or her spouse or child who is a citizen of the United States or a lawful permanent resident thereof. The statement shall include all pertinent information concerning the incomes and savings of the applicant and spouse. If exceptional hardship is claimed upon medical grounds, the applicant shall submit a medical certificate from a qualified physician setting forth in terms understandable to a layman the nature and effect of the illness and prognosis as to the period of time the spouse or child will require care or treatment.

(8) An application based upon the applicant's belief that he or she cannot return to the country of his or her nationality or last residence because the applicant would be subject to persecution on account of race, religion, or political opinion, must be supported by a statement, dated and signed by the applicant, setting forth in detail why the applicant believes he or she would be subject to persecution.

(9) *Waivers under Pub. L. 103-416 based on a request by a State Department of Public Health (or equivalent).* In accordance with section 220 of Pub. L. 103-416,

an alien admitted to the United States as a nonimmigrant under section 101(a)(15)(J) of the Act, or who acquired status under section 101(a)(15)(J) of the Act after admission to the United States, to participate in an exchange program of graduate medical education or training (as of January 9, 1977), may apply for a waiver of the 2-year home country residence and physical presence requirement (the "2-year requirement") under section 212(e)(iii) of the Act based on a request by a State Department of Public Health, or its equivalent. To initiate the application for a waiver under Pub. L. 103-416, the Department of Public Health, or its equivalent, or the State in which the foreign medical graduate seeks to practice medicine, must request the Director of USIA to recommend a waiver to the Service. The waiver may be granted only if the Director of USIA provides the Service with a favorable waiver recommendation. Only the Service, however, may grant or deny the waiver application. If granted, such a waiver shall be subject to the terms and conditions imposed under section 214(l) of the Act (as redesignated by section 671(a)(3)(A) of Pub. L. 104-208). Although the alien is not required to submit a separate waiver application to the Service, the burden rests on the alien to establish eligibility for the waiver. If the Service approves a waiver request made under Pub. L. 103-416, the foreign medical graduate (and accompanying dependents) may apply for change of nonimmigrant status, from J-1 to H-1B and, in the case of dependents of such a foreign medical graduate, from J-2 to H-4. Aliens receiving waivers under section 220 of Pub. L. 103-416 are subject, in all cases, to the provisions of section 214(g)(1)(A) of the Act.

(i) *Eligibility criteria.* J-1 foreign medical graduates (with accompanying J-2 dependents) are eligible to apply for a waiver of the 2-year requirement under Pub. L. 103-416 based on a request by a State Department of Public Health (or its equivalent) if:

(A) They were admitted to the United States under section 101(a)(15)(J) of the

Act, or acquired J nonimmigrant status before June 1, 2002, to pursue graduate medical education or training in the United States.

(B) They have entered into a bona fide, full-time employment contract for 3 years to practice medicine at a health care facility located in an area or areas designated by the Secretary of Health and Human Services as having a shortage of health care professionals (“HHS-designated shortage area”);

(C) They agree to commence employment within 90 days of receipt of the waiver under this section and agree to practice medicine for 3 years at the facility named in the waiver application and only in HHS-designated shortage areas. The health care facility named in the waiver application may be operated by:

(1) An agency of the Government of the United States or of the State in which it is located; or

(2) A charitable, educational, or other not-for-profit organization; or

(3) Private medical practitioners.

(D) The Department of Public Health, or its equivalent, in the State where the health care facility is located has requested the Director, USIA, to recommend the waiver, and the Director, USIA, submits a favorable waiver recommendation to the Service; and

(E) Approval of the waiver will not cause the number of waivers granted pursuant to Pub. L. 103–416 and this section to foreign medical graduates who will practice medicine in the same state to exceed 20 during the current fiscal year.

(ii) *Decision on waivers under Pub. L. 103–416 and notification to the alien—(A) Approval.* If the Director of USIA submits a favorable waiver recommendation on behalf of a foreign medical graduate pursuant to Pub. L. 103–416, and the Service grants the waiver, the alien shall be notified of the approval on Form I-797 (or I-797A or I-797B, as appropriate). The approval notice shall clearly state the terms and conditions imposed on the waiver, and the Service’s records shall be noted accordingly.

(B) *Denial.* If the Director of USIA issues a favorable waiver recommendation under Pub. L. 103–416 and the Service denies the waiver, the alien shall be

notified of the decision and of the right to appeal under 8 CFR part 103. However, no appeal shall lie where the basis for denial is that the number of waivers granted to the State in which the foreign medical graduate will be employed would exceed 20 for that fiscal year.

(iii) *Conditions.* The foreign medical graduate must agree to commence employment for the health care facility specified in the waiver application within 90 days of receipt of the waiver under Pub. L. 103–416. The foreign medical graduate may only fulfill the requisite 3-year employment contract as an H-1B nonimmigrant. A foreign medical graduate who receives a waiver under Pub. L. 103–416 based on a request by a State Department of Public Health (or equivalent), and changes his or her nonimmigrant classification from J-1 to H-1B, may not apply for permanent residence or for any other change of nonimmigrant classification unless he or she has fulfilled the 3-year employment contract with the health care facility and in the specified HHS-designated shortage area named in the waiver application.

(iv) *Failure to fulfill the three-year employment contract due to extenuating circumstances.* A foreign medical graduate who fails to meet the terms and conditions imposed on the waiver under section 214(l) of the Act and this paragraph will once again become subject to the 2-year requirement under section 212(e) of the Act.

Under section 214(l)(1)(B) of the Act, however, the Service, in the exercise of discretion, may excuse early termination of the foreign medical graduate’s 3-year period of employment with the health care facility named in the waiver application due to extenuating circumstances. Extenuating circumstances may include, but are not limited to, closure of the health care facility or hardship to the alien. In determining whether to excuse such early termination of employment, the Service shall base its decision on the specific facts of each case. In all cases, the burden of establishing eligibility for a favorable exercise of discretion rests with the foreign medical graduate. Depending on the circumstances, closure of the health care facility named in the

Department of Homeland Security

§212.7

waiver application may, but need not, be considered an extenuating circumstance excusing early termination of employment. Under no circumstances will a foreign medical graduate be eligible to apply for change of status to another non-immigrant category, for an immigrant visa or for status as a lawful permanent resident prior to completing the requisite 3-year period of employment for a health care facility located in an HHS-designated shortage area.

(v) *Required evidence.* A foreign medical graduate who seeks to have early termination of employment excused due to extenuating circumstances shall submit documentary evidence establishing such a claim. In all cases, the foreign medical graduate shall submit an employment contract with another health care facility located in an HHS-designated shortage area for the balance of the required 3-year period of employment. A foreign medical graduate claiming extenuating circumstances based on hardship shall also submit evidence establishing that such hardship was caused by unforeseen circumstances beyond his or her control. A foreign medical graduate claiming extenuating circumstances based on closure of the health care facility named in the waiver application shall also submit evidence that the facility has closed or is about to be closed.

(vi) *Notification requirements.* A J-1 foreign medical graduate who has been granted a waiver of the 2-year requirement pursuant to Pub. L. 103-416, is required to comply with the terms and conditions specified in section 214(l) of the Act and the implementing regulations in this section. If the foreign medical graduate subsequently applies for and receives H-1B status, he or she must also comply with the terms and conditions of that nonimmigrant status. Such compliance shall also include notifying USCIS of any material change in the terms and conditions of the H-1B employment, by filing either an amended or a new H-1B petition, as required, under §§214.2(h)(2)(i)(D), 214.2(h)(2)(i)(E), and 214.2(h)(11) of this chapter.

(A) *Amended H-1B petitions.* The health care facility named in the waiver

application and H-1B petition shall file an amended H-1B petition, as required under §214.2(h)(2)(i)(E) of this chapter, if there are any material changes in the terms and conditions of the beneficiary's employment or eligibility as specified in the waiver application filed under Pub. L. 103-416 and in the subsequent H-1B petition. In such a case, an amended H-1B petition shall be accompanied by evidence that the alien will continue practicing medicine with the original employer in an HHS-designated shortage area.

(B) *New H-1B petitions.* A health care facility seeking to employ a foreign medical graduate who has been granted a waiver under Pub. L. 103-416 (prior to the time the alien has completed his or her 3-year contract with the facility named in the waiver application and original H-1B petition), shall file a new H-1B petition, as required under §§214.2(h)(2)(i) (D) and (E) of this chapter. Although a new waiver application need not be filed, the new H-1B petition shall be accompanied by the documentary evidence generally required under §214.2(h) of this chapter, and the following additional documents:

(1) A copy of the USCIS approval notice relating to the waiver and non-immigrant H status granted under Pub. L. 103-416;

(2) An explanation from the foreign medical graduate, with supporting evidence, establishing that extenuating circumstances necessitate a change in employment;

(3) An employment contract establishing that the foreign medical graduate will practice medicine at the health care facility named in the new H-1B petition for the balance of the required 3-year period; and

(4) Evidence that the geographic area or areas of intended employment indicated in the new H-1B petition are in HHS-designated shortage areas.

(C) *Review of amended and new H-1B petitions for foreign medical graduates granted waivers under Pub. L. 103-416 and who seek to have early termination of employment excused due to extenuating circumstances—(1) Amended H-1B petitions.* The waiver granted under Pub. L. 103-416 may be affirmed, and the amended H-1B petition may be approved, if the petitioning health care

facility establishes that the foreign medical graduate otherwise remains eligible for H-1B classification and that he or she will continue practicing medicine in an HHS-designated shortage area.

(2) *New H-1B petitions.* The Service shall review a new H-1B petition filed on behalf of a foreign medical graduate who has not yet fulfilled the required 3-year period of employment with the health care facility named in the waiver application and in the original H-1B petition to determine whether extenuating circumstances exist which warrant a change in employment, and whether the waiver granted under Pub. L. 103-416 should be affirmed. In conducting such a review, the Service shall determine whether the foreign medical graduate will continue practicing medicine in an HHS-designated shortage area, and whether the new H-1B petitioner and the foreign medical graduate have satisfied the remaining H-1B eligibility criteria described under section 101(a)(15)(H) of the Act and §214.2(h) of this chapter. If these criteria have been satisfied, the waiver granted to the foreign medical graduate under Pub. L. 103-416 may be affirmed, and the new H-1B petition may be approved in the exercise of discretion, thereby permitting the foreign medical graduate to serve the balance of the requisite 3-year employment period at the health care facility named in the new H-1B petition.

(D) *Failure to notify the Service of any material changes in employment.* Foreign medical graduates who have been granted a waiver of the 2-year requirement and who have obtained H-1B status under Pub. L. 103-416 but fail to: Properly notify the Service of any material change in the terms and conditions of their H-1B employment, by having their employer file an amended or a new H-1B petition in accordance with this section and §214.2(h) of this chapter; or establish continued eligibility for the waiver and H-1B status, shall (together with their dependents) again become subject to the 2-year requirement. Such foreign medical graduates and their accompanying H-4 dependents also become subject to deportation under section 241(a)(1)(C)(i) of the Act.

(10) The applicant and his or her spouse may be interviewed by an immigration officer in connection with the application and consultation may be had with the Director, United States Information Agency and the sponsor of any exchange program in which the applicant has been a participant.

(11) The applicant shall be notified of the decision, and if the application is denied, of the reasons therefor and of the right of appeal in accordance with the provisions of part 103 of this chapter. However, no appeal shall lie from the denial of an application for lack of a favorable recommendation from the Secretary of State. When an interested United States Government agency requests a waiver of the two-year foreign-residence requirement and the Director, United States Information Agency had made a favorable recommendation, the interested agency shall be notified of the decision on its request and, if the request is denied, of the reasons thereof, and of the right of appeal. If the foreign country of the alien's nationality or last residence has furnished statement in writing that it has no objection to his/her being granted a waiver of the foreign residence requirement and the Director, United States Information Agency has made a favorable recommendation, the Director shall be notified of the decision and, if the foreign residence requirement is not waived, of the reasons therefor and of the foregoing right of appeal. However, this "no objection" provision is not applicable to the exchange visitor admitted to the United States on or after January 10, 1977 to receive graduate medical education or training, or who acquired such status on or after that date for such purpose; except that the alien who commenced a program before January 10, 1977 and who was readmitted to the United States on or after that date to continue participation in the same program, is eligible for the "no objection" waiver.

(d) *Criminal grounds of inadmissibility involving violent or dangerous crimes.* The Attorney General, in general, will not favorably exercise discretion under section 212(h)(2) of the Act (8 U.S.C. 1182(h)(2)) to consent to an application

or reapplication for a visa, or admission to the United States, or adjustment of status, with respect to immigrant aliens who are inadmissible under section 212(a)(2) of the Act in cases involving violent or dangerous crimes, except in extraordinary circumstances, such as those involving national security or foreign policy considerations, or cases in which an alien clearly demonstrates that the denial of the application for adjustment of status or an immigrant visa or admission as an immigrant would result in exceptional and extremely unusual hardship. Moreover, depending on the gravity of the alien's underlying criminal offense, a showing of extraordinary circumstances might still be insufficient to warrant a favorable exercise of discretion under section 212(h)(2) of the Act.

(e) *Provisional unlawful presence waivers of inadmissibility for certain immediate relatives.* The provisions of this paragraph (e) are applicable to certain aliens who are pursuing consular immigrant visa processing as an immediate relative of a U.S. citizen.

(1) *Jurisdiction.* All applications for a provisional unlawful presence waiver, including an application for a provisional unlawful presence waiver made by an alien in removal proceedings before the Executive Office for Immigration Review, must be filed with USCIS, with the fees prescribed in 8 CFR 103.7(b), and in accordance with the form instructions.

(2) *Provisional unlawful presence waiver; in general.* (i) USCIS may adjudicate applications for a provisional unlawful presence waiver of inadmissibility based on section 212(a)(9)(B)(v) of the Act filed by eligible aliens described in paragraph (e)(3) of this section. USCIS will only approve such provisional unlawful presence waiver applications in accordance with the conditions outlined in paragraph (e) of this section. Consistent with section 212(a)(9)(B)(v) of the Act, the decision whether to approve a provisional unlawful presence waiver application is discretionary and does not constitute a grant of a lawful immigration status or a period of stay authorized by the Secretary.

(ii) A pending or an approved provisional unlawful presence waiver does

not authorize any interim immigration benefits such as employment authorization or advance parole. Any application for a travel document or request for employment authorization that is submitted in connection with a provisional unlawful presence waiver application will be rejected.

(3) *Eligible aliens.* Except as provided in paragraph (e)(4) of this section, an alien may be eligible to apply for and receive a provisional unlawful presence waiver for the grounds of inadmissibility under section 212(a)(9)(B)(i)(I) or (II) of the Act if he or she meets the requirements in this paragraph. An alien may be eligible to apply for or receive a waiver if he or she:

(i) Is present in the United States at the time of filing the application for a provisional unlawful presence waiver, and for biometrics collection at a USCIS ASC;

(ii) Upon departure, would be inadmissible only under section 212(a)(9)(B)(i) of the Act at the time of the immigrant visa interview;

(iii) Qualifies as an immediate relative under section 201(b)(2)(A)(i) of the Act;

(iv) Is the beneficiary of an approved immediate relative petition;

(v) Has a case pending with the Department of State based on the approved immediate relative petition and has paid the immigrant visa processing fee as evidenced by a State Department Visa Processing Fee Receipt;

(vi) Will depart from the United States to obtain the immediate relative immigrant visa; and

(vii) Meets the requirements for a waiver provided in section 212(a)(9)(B)(v) of the Act, except the alien must show extreme hardship to his or her U.S. citizen spouse or parent.

(4) *Ineligible aliens.* Notwithstanding paragraph (e)(3) of this section, an alien is ineligible for a provisional unlawful presence waiver under paragraph (e) of this section if:

(i) USCIS has reason to believe that the alien may be subject to grounds of inadmissibility other than unlawful presence under section 212(a)(9)(B)(i)(I) or (II) of the Act at the time of the immigrant visa interview with the Department of State;

(ii) The alien is under the age of 17;

(iii) The alien does not have a case pending with the Department of State, based on the approved immediate relative petition, and has not paid the immigrant visa processing fee;

(iv) The Department of State initially acted to schedule the immigrant visa interview prior to January 3, 2013 for the approved immediate relative petition on which the provisional unlawful presence waiver is based, even if the interview has since been cancelled or rescheduled *after* January 3, 2013;

(v) The alien is in removal proceedings, unless the removal proceedings are administratively closed and have not been recalendared at the time of filing the Form I-601A;

(vi) The alien is subject to a final order of removal issued under section 217, 235, 238, or 240 of the Act or a final order of exclusion or deportation under former 236 or 242 of the Act (pre-April 1, 1997), or any other provision of law (including an in absentia removal order under section 240(b)(5) of the Act);

(vii) The alien is subject to reinstatement of a prior removal order under section 241(a)(5) of the Act; or

(viii) The alien has a pending application with USCIS for lawful permanent resident status.

(5) *Filing.* (i) An application for a provisional unlawful presence waiver of the unlawful presence inadmissibility bars under section 212(a)(9)(B)(i)(I) or (II) of the Act, including an application by an alien in removal proceedings that are administratively closed and have not been recalendared at the time of filing the Form I-601A, must be filed in accordance with 8 CFR part 103 and on the form designated by USCIS. The prescribed fee under 8 CFR 103.7(b)(1) and supporting documentation must be submitted in accordance with the form instructions.

(ii) An application for a provisional unlawful presence waiver will be rejected and the fee and package returned to the alien if the alien:

(A) Fails to pay the required filing fee for the provisional unlawful presence waiver application or to pay the correct filing fee;

(B) Fails to sign the provisional unlawful presence waiver application;

(C) Fails to provide his or her family name, domestic home address, and date of birth;

(D) Is under the age of 17;

(E) Does not include evidence of an approved petition that classifies the alien as an immediate relative of a U.S. citizen;

(F) Fails to include a copy of the fee receipt evidencing that the alien has paid the immigrant visa processing fee to the Department of State; or

(G) Has indicated on the provisional unlawful presence waiver application that the Department of State initially acted to schedule the immigrant visa interview prior to January 3, 2013, even if the interview was cancelled or rescheduled *after* January 3, 2013.

(6) *Biometrics.* (i) All aliens who apply for a provisional unlawful presence waiver under this section will be required to provide biometrics in accordance with 8 CFR 103.16 and 103.17, as specified on the form instructions.

(ii) *Failure to appear for biometrics capture.* If an alien fails to appear for biometrics capture, the provisional unlawful presence waiver application will be considered abandoned and denied pursuant to 8 CFR 103.2(b)(13). The alien may not appeal or file a motion to reopen or reconsider an abandonment denial under 8 CFR 103.5.

(7) *Burden of proof.* The alien has the burden to establish eligibility for the provisional unlawful presence waiver as described in this paragraph of this section, and under section 212(a)(9)(B)(v) of the Act, including that the alien merits a favorable exercise of the Secretary's discretion.

(8) *Adjudication.* USCIS will adjudicate the provisional unlawful presence waiver application in accordance with this paragraph of this section and section 212(a)(9)(B)(v) of the Act, except the alien must show extreme hardship to his or her U.S. citizen spouse or parent. USCIS also may require the alien and the U.S. citizen petitioner to appear for an interview pursuant to 8 CFR 103.2(b)(9). If USCIS finds that the alien does not meet the eligibility requirements for the provisional unlawful presence waiver as described in paragraph (e) of this section, or if USCIS otherwise determines in its discretion that a waiver is not warranted,

Department of Homeland Security

§ 212.7

USCIS will deny the waiver application. Notwithstanding 8 CFR 103.2(b)(16), USCIS may deny an application for a provisional unlawful presence waiver without prior issuance of a request for evidence or notice of intent to deny.

(9) *Notice of decision.* USCIS will notify the alien and the alien's attorney of record or accredited representative of the decision in accordance with 8 CFR 103.2(b)(19). USCIS also may notify the Department of State. Denial of an application for a provisional unlawful presence waiver is without prejudice to the alien filing another provisional unlawful presence waiver application under paragraph (e) of this section, provided the alien meets all of the requirements in this part, and the alien's case must be pending with the Department of State. An alien also may elect to file a Form I-601, Waiver of Grounds of Inadmissibility, pursuant to paragraph (a)(1) of this section after departing the United States, appearing for his or her immigrant visa interview at the U.S. Embassy or consulate abroad, and after the Department of State determines the alien's admissibility and eligibility for an immigrant visa. Accordingly, denial of a request for a provisional unlawful presence waiver is not a final agency action for purposes of section 10(c) of the Administrative Procedure Act, 5 U.S.C. 704.

(10) *Withdrawal of waiver requests.* An alien may withdraw his or her request for a provisional unlawful presence waiver at any time before USCIS makes a final decision. Once the case is withdrawn, USCIS will close the case and notify the alien and his or her attorney or accredited representative. The alien may file a new Form I-601A, in accordance with the form instructions and required fees. The alien's case must be pending with the Department of State and the alien must notify the Department of State that he or she intends to file a new Form I-601A.

(11) *Appeals and motions to reopen.* There is no administrative appeal from a denial of a request for a provisional unlawful presence waiver under this section. The alien may not file, pursuant to 8 CFR 103.5, a motion to reopen or reconsider a denial of a provisional

unlawful presence waiver application under this section.

(12) *Approval and conditions.* A provisional unlawful presence waiver granted under this section:

(i) Does not take effect unless, and until, the alien who applied for and obtained the provisional unlawful presence waiver:

(A) Departs from the United States;

(B) Appears for an immigrant visa interview at a U.S. Embassy or consulate; and

(C) Is determined to be otherwise eligible for an immigrant visa by a Department of State consular officer in light of the approved provisional unlawful presence waiver.

(ii) Waives the alien's inadmissibility under section 212(a)(9)(B) of the Act only for purposes of the application for an immigrant visa and admission to the United States as an immediate relative of a U.S. citizen pursuant to the approved immediate relative petition (Form I-130 or I-360) upon which the provisional unlawful presence waiver application was based.

(iii) Does not waive any ground of inadmissibility other than the grounds of inadmissibility under section 212(a)(9)(B)(i)(I) or (II) of the Act.

(13) *Validity.* Until the provisional unlawful presence waiver takes full effect as provided in paragraph (e)(12) of this section, USCIS may reopen and reconsider its decision at any time. Once a provisional unlawful presence waiver takes full effect as defined in paragraph (e)(12) of this section, the period of unlawful presence for which the provisional unlawful presence waiver is granted is waived indefinitely, in accordance with and subject to paragraph (a)(4) of this section.

(14) *Automatic revocation.* The approval of a provisional unlawful presence waiver is revoked automatically if:

(i) The consular officer determines at the time of the immigrant visa interview that the alien is ineligible to receive a visa under section 212(a) of the Act other than under section 212(a)(9)(B)(i)(I) or (II) of the Act;

(ii) The immigrant visa petition approval associated with the provisional unlawful presence waiver is at any time revoked, withdrawn, or rendered

invalid but not otherwise reinstated for humanitarian reasons or converted to a widow or widower petition;

§ 212.11 [Reserved]

§ 212.12 Parole determinations and revocations respecting Mariel Cubans.

(a) *Scope.* This section applies to any native of Cuba who last came to the United States between April 15, 1980, and October 20, 1980 (hereinafter referred to as *Mariel Cuban*) and who is being detained by the Immigration and Naturalization Service (hereinafter referred to as the *Service*) pending his or her exclusion hearing, or pending his or her return to Cuba or to another country. It covers Mariel Cubans who have never been paroled as well as those

Mariel Cubans whose previous parole has been revoked by the Service. It also applies to any Mariel Cuban, detained under the authority of the Immigration and Nationality Act in any facility, who has not been approved for release or who is currently awaiting movement to a Service or Bureau Of Prisons (BOP) facility. In addition, it covers the revocation of parole for those Mariel Cubans who have been released on parole at any time.

(b) *Parole authority and decision.* The authority to grant parole under section 212(d)(5) of the Act to a detained Mariel Cuban shall be exercised by the Commissioner, acting through the Associate Commissioner for Enforcement, as follows:

(1) *Parole decisions.* The Associate Commissioner for Enforcement may, in the exercise of discretion, grant parole to a detained Mariel Cuban for emergent reasons or for reasons deemed strictly in the public interest. A decision to retain in custody shall briefly set forth the reasons for the continued detention. A decision to release on parole may contain such special conditions as are considered appropriate. A copy of any decision to parole or to detain, with an attached copy translated into Spanish, shall be provided to the detainee. Parole documentation for Mariel Cubans shall be issued by the district director having jurisdiction over the alien, in accordance with the parole determination made by the Associate Commissioner for Enforcement.

(2) *Additional delegation of authority.* All references to the Commissioner and Associate Commissioner for Enforcement in this section shall be deemed to include any person or persons (including a committee) designated in writing by the Commissioner or Associate Commissioner for Enforcement to exercise powers under this section.

(c) *Review Plan Director.* The Associate Commissioner for Enforcement shall appoint a Director of the Cuban Review Plan. The Director shall have authority to establish and maintain appropriate files respecting each Mariel Cuban to be reviewed for possible parole, to determine the order in which the cases shall be reviewed, and to coordinate activities associated with these reviews.

Department of Homeland Security

§ 212.12

(d) *Recommendations to the Associate Commissioner for Enforcement.* Parole recommendations for detained Mariel Cubans shall be developed in accordance with the following procedures.

(1) *Review Panels.* The Director shall designate a panel or panels to make parole recommendations to the Associate Commissioner for Enforcement. A Cuban Review Panel shall, except as otherwise provided, consist of two persons. Members of a Review Panel shall be selected from the professional staff of the Service. All recommendations by a two-member Panel shall be unanimous. If the vote of a two-member Panel is split, it shall adjourn its deliberations concerning that particular detainee until a third Panel member is added. A recommendation by a three-member Panel shall be by majority vote. The third member of any Panel shall be the Director of the Cuban Review Plan or his designee.

(2) *Criteria for Review.* Before making any recommendation that a detainee be granted parole, a majority of the Cuban Review Panel members, or the Director in case of a record review, must conclude that:

- (i) The detainee is presently a non-violent person;
- (ii) The detainee is likely to remain nonviolent;
- (iii) The detainee is not likely to pose a threat to the community following his release; and
- (iv) The detainee is not likely to violate the conditions of his parole.

(3) *Factors for consideration.* The following factors should be weighed in considering whether to recommend further detention or release on parole of a detainee:

- (i) The nature and number of disciplinary infractions or incident reports received while in custody;
- (ii) The detainee's past history of criminal behavior;
- (iii) Any psychiatric and psychological reports pertaining to the detainee's mental health;
- (iv) Institutional progress relating to participation in work, educational and vocational programs;
- (v) His ties to the United States, such as the number of close relatives residing lawfully here;

(vi) The likelihood that he may abscond, such as from any sponsorship program; and

(vii) Any other information which is probative of whether the detainee is likely to adjust to life in a community, is likely to engage in future acts of violence, is likely to engage in future criminal activity, or is likely to violate the conditions of his parole.

(4) *Procedure for review.* The following procedures will govern the review process:

(i) *Record review.* Initially, the Director or a Panel shall review the detainee's file. Upon completion of this record review, the Director or the Panel shall issue a written recommendation that the detainee be released on parole or scheduled for a personal interview.

(ii) *Personal interview.* If a recommendation to grant parole after only a record review is not accepted or if the detainee is not recommended for release, a Panel shall personally interview the detainee. The scheduling of such interviews shall be at the discretion of the Director. The detainee may be accompanied during the interview by a person of his choice, who is able to attend at the time of the scheduled interview, to assist in answering any questions. The detainee may submit to the Panel any information, either orally or in writing, which he believes presents a basis for release on parole.

(iii) *Panel recommendation.* Following completion of the interview and its deliberations, the Panel shall issue a written recommendation that the detainee be released on parole or remain in custody pending deportation or pending further observation and subsequent review. This written recommendation shall include a brief statement of the factors which the Panel deems material to its recommendation. The recommendation and appropriate file material shall be forwarded to the Associate Commissioner for Enforcement, to be considered in the exercise of discretion pursuant to § 212.12(b).

(e) *Withdrawal of parole approval.* The Associate Commissioner for Enforcement may, in his or her discretion, withdraw approval for parole of any detainee prior to release when, in his or

§212.13

her opinion, the conduct of the detainee, or any other circumstance, indicates that parole would no longer be appropriate.

(f) *Sponsorship.* No detainee may be released on parole until suitable sponsorship or placement has been found for the detainee. The paroled detainee must abide by the parole conditions specified by the Service in relation to his sponsorship or placement. The following sponsorships and placements are suitable:

(1) Placement by the Public Health Service in an approved halfway house or mental health project;

(2) Placement by the Community Relations Service in an approved halfway house or community project; and

(3) Placement with a close relative such as a parent, spouse, child, or sibling who is a lawful permanent resident or a citizen of the United States.

(g) *Timing of reviews.* The timing of review shall be in accordance with the following guidelines.

(1) *Parole revocation cases.* The Director shall schedule the review process in the case of a new or returning detainee whose previous immigration parole has been revoked. The review process will commence with a scheduling of a file review, which will ordinarily be expected to occur within approximately three months after parole is revoked. In the case of a Mariel Cuban who is in the custody of the Service, the Cuban Review Plan Director may, in his or her discretion, suspend or postpone the parole review process if such detainee's prompt deportation is practicable and proper.

(2) *Continued detention cases.* A subsequent review shall be commenced for any detainee within one year of a refusal to grant parole under §212.12(b), unless a shorter interval is specified by the Director.

(3) *Discretionary reviews.* The Cuban Review Plan Director, in his discretion, may schedule a review of a detainee at any time when the Director deems such a review to be warranted.

(h) *Revocation of parole.* The Associate Commissioner for Enforcement shall have authority, in the exercise of discretion, to revoke parole in respect to Mariel Cubans. A district director may also revoke parole when, in the

8 CFR Ch. I (1–15 Edition)

district director's opinion, revocation is in the public interest and circumstances do not reasonably permit referral of the case to the Associate Commissioner. Parole may be revoked in the exercise of discretion when, in the opinion of the revoking official:

(1) The purposes of parole have been served;

(2) The Mariel Cuban violates any condition of parole;

(3) It is appropriate to enforce an order of exclusion or to commence proceedings against a Mariel Cuban; or

(4) The period of parole has expired without being renewed.

§212.13 [Reserved]

§212.14 Parole determinations for alien witnesses and informants for whom a law enforcement authority ("LEA") will request S classification.

(a) *Parole authority.* Parole authorization under section 212(d)(5) of the Act for aliens whom LEAs seek to bring to the United States as witnesses or informants in criminal/counter terrorism matters and to apply for S classification shall be exercised as follows:

(1) *Grounds of eligibility.* The Commissioner may, in the exercise of discretion, grant parole to an alien (and the alien's family members) needed for law enforcement purposes provided that a state or federal LEA:

(i) Establishes its intention to file, within 30 days after the alien's arrival in the United States, an application for S nonimmigrant status on the form designated for such purposes, with the Assistant Attorney General, Criminal Division, Department of Justice, in accordance with the instructions on or attached to the form, which will include the names of qualified family members for whom parole is sought;

(ii) Specifies the particular operational reasons and basis for the request, and agrees to assume responsibility for the alien during the period of the alien's temporary stay in the United States, including maintaining control and supervision of the alien and the alien's whereabouts and activities, and further specifies any other

Department of Homeland Security

§ 212.14

terms and conditions specified by the Service during the period for which the parole is authorized;

(iii) Agrees to advise the Service of the alien's failure to report quarterly any criminal conduct by the alien, or any other activity or behavior on the alien's part that may constitute a ground of excludability or deportability;

(iv) Assumes responsibility for ensuring the alien's departure on the date of termination of the authorized parole (unless the alien has been admitted in S nonimmigrant classification pursuant to the terms of paragraph (a)(2) of this section), provides any and all assistance needed by the Service, if necessary, to ensure departure, and verifies departure in a manner acceptable to the Service;

(v) Provide LEA seat-of-government certification that parole of the alien is essential to an investigation or prosecution, is in the national interest, and is requested pursuant to the terms and authority of section 212(d)(5) of the Act;

(vi) Agrees that no promises may be, have been, or will be made by the LEA to the alien that the alien will or may:

(A) Remain in the United States in parole status or any other non-immigrant classification;

(B) Adjust status to that of lawful permanent resident; or

(C) Otherwise attempt to remain beyond the authorized parole. The alien (and any family member of the alien who is 18 years of age or older) shall sign a statement acknowledging an awareness that parole only authorizes a temporary stay in the United States and does not convey the benefits of S nonimmigrant classification, any other nonimmigrant classification, or any entitlement to further benefits under the Act; and

(vii) Provides, in the case of a request for the release of an alien from Service custody, certification that the alien is eligible for parole pursuant to § 235.3 of this chapter.

(2) *Authorization.* (i) Upon approval of the request for parole, the Commissioner shall notify the Assistant Attorney General, Criminal Division, of the approval.

(ii) Upon notification of approval of a request for parole, the LEA will advise the Commissioner of the date, time, and place of the arrival of the alien. The Commissioner will coordinate the arrival of the alien in parole status with the port director prior to the time of arrival.

(iii) Parole will be authorized for a period of thirty (30) days to commence upon the alien's arrival in the United States in order for the LEA to submit the completed application to the Assistant Attorney General, Criminal Division. Upon the submission to the Assistant Attorney General of the completed application for S classification, the period of parole will be automatically extended while the request is being reviewed. The Assistant Attorney General, Criminal Division, will notify the Commissioner of the submission of the application.

(b) *Termination of parole—(1) General.* The Commissioner may terminate parole for any alien (including a member of the alien's family) in parole status under this section where termination is in the public interest. A district director may also terminate parole when, in the district director's opinion, termination is in the public interest and circumstances do not reasonably permit referral of the case to the Commissioner. In such a case, the Commissioner shall be notified immediately. In the event the Commissioner, or in the appropriate case, a district director, decides to terminate the parole of an alien witness or informant authorized under the terms of this paragraph, the Assistant Attorney General, Criminal Division, and the relevant LEA shall be notified in writing to that effect. The Assistant Attorney General, Criminal Division, shall concur in or object to that decision. Unless the Assistant Attorney General, Criminal Division, objects within 7 days, he or she shall be deemed to have concurred in the decision. In the event of an objection by the Assistant Attorney General, Criminal Division, the matter will be expeditiously referred to the Deputy Attorney General for a final resolution. In no circumstances shall the alien or the relevant LEA have a right of appeal from any decision to terminate parole.

§212.15

8 CFR Ch. I (1–1–15 Edition)

(2) *Termination of parole and admission in S classification.* When an LEA has filed a request for an alien in authorized parole status to be admitted in S nonimmigrant classification and that request has been approved by the Commissioner pursuant to the procedures outlined in 8 CFR 214.2(t), the Commissioner may, in the exercise of discretion:

- (i) Terminate the alien's parole status;
- (ii) Determine eligibility for waivers; and
- (iii) Admit the alien in S nonimmigrant classification pursuant to the terms and conditions of section 101(a)(15)(S) of the Act and 8 CFR 214.2(t).

(c) *Departure.* If the alien's parole has been terminated and the alien has been ordered excluded from the United States, the LEA shall ensure departure from the United States and so inform the district director in whose jurisdiction the alien has last resided. The district director, if necessary, shall oversee the alien's departure from the United States and, in any event, shall notify the Commissioner of the alien's departure. The Commissioner shall be notified in writing of the failure of any alien authorized parole under this paragraph to depart in accordance with an order of exclusion and deportation entered after parole authorized under this paragraph has been terminated.

(d) *Failure to comply with procedures.* Any failure to adhere to the parole procedures contained in this section shall immediately be brought to the attention of the Commissioner, who will notify the Attorney General.

(g) *English language requirements.* (1) With the exception of those aliens described in paragraph (g)(2) of this section, every alien must meet certain English language requirements in order to obtain a certificate. The Secretary of HHS has sole authority to set standards for these English language requirements, and has determined that an alien must have a passing score on one of the three tests listed in paragraph (g)(3) of this section before he or she can be granted a certificate. HHS will notify The Department of Homeland Security of additions or deletions to this list, and The Department of Homeland Security will publish such changes in the FEDERAL REGISTER.

The application must:

(i) Clearly describe and identify the organization seeking authorization to issue certificates;

(ii) List the occupations for which the organization desires to provide certificates;

(iii) Describe how the organization substantially meets the standards described at paragraph (k) of this section;

(iv) Describe the organization's expertise, knowledge, and experience in the health care occupation(s) for which it desires to issue certificates;

(v) Provide a point of contact;

(ii) Prior to issuing certificates for any other health care occupations, CGFNS must apply on the form designated by USCIS with the fee prescribed in 8 CFR 103.7(b)(1) and in accordance with the form instructions for authorization to issue such certificates. The DHS will evaluate CGFNS' expertise with respect to the particular health care occupation for which authorization to issue certificates is sought, in light of CGFNS' statutory designation as a credentialing organization.

(3) *Procedure for review of applications by credentialing organizations.* (i) USCIS will, forward a copy of the application and supporting documents to the Secretary of HHS in order to obtain an opinion on the merits of the application. The DHS will not render a decision on the request until the Secretary of HHS provides an opinion. The DHS shall accord the Secretary of HHS' opinion great weight in reaching its decision. The DHS may deny the organization's request notwithstanding the favorable recommendation from the Secretary of HHS, on grounds unre-

lated to the credentialing of health care occupations or health care services.

(ii) The DHS will notify the organization of the decision on its application in writing and, if the request is denied, of the reasons for the denial. Approval of authorization to issue certificates to foreign health care workers or certified statements to nurses will be made in 5-year increments, subject to the review process described at paragraph (l) of this section.

(iii) If the application is denied, the decision may be appealed pursuant to 8 CFR 103.3.

(k) *Standards for credentialing organizations.* The DHS will evaluate organizations, including CGFNS, seeking to obtain approval from the DHS to issue certificates for health care workers, or certified statements for nurses. Any organization meeting the standards set forth in paragraph (k)(1) of this section can be eligible for authorization to issue certificates. While CGFNS has been specifically listed in the statute as an entity authorized to issue certificates, it is not exempt from governmental oversight. All organizations will be reviewed, including CGFNS, to guarantee that they continue to meet the standards required of all certifying organizations, under the following:

(1) *Structure of the organization.* (i) The organization shall be incorporated as a legal entity.

(ii)(A) The organization shall be independent of any organization that functions as a representative of the occupation or profession in question or serves as or is related to a recruitment/place-ment organization.

(B) The DHS shall not approve an organization that is unable to render impartial advice regarding an individual's qualifications regarding training, experience, and licensure.

(C) The organization must also be independent in all decision making matters pertaining to evaluations and/or examinations that it develops including, but not limited to: policies and procedures; eligibility requirements and application processing; standards for granting certificates and their renewal; examination content, development, and administration; examination cut-off scores, excluding

Department of Homeland Security

§ 212.15

those pertaining to English language requirements; grievance and disciplinary processes; governing body and committee meeting rules; publications about qualifying for a certificate and its renewal; setting fees for application and all other services provided as part of the screening process; funding, spending, and budget authority related to the operation of the certification organization; ability to enter into contracts and grant arrangements; ability to demonstrate adequate staffing and management resources to conduct the program(s) including the authority to approve selection of, evaluate, and initiate dismissal of the chief staff member.

(D) An organization whose fees are based on whether an applicant receives a visa may not be approved.

(iii) The organization shall include the following representation in the portion of its organization responsible for overseeing certification and, where applicable, examinations:

(A) Individuals from the same health care discipline as the alien health care worker being evaluated who are eligible to practice in the United States; and

(B) At least one voting public member to represent the interests of consumers and protect the interests of the public at large. The public member shall not be a member of the discipline or derive significant income from the discipline, its related organizations, or the organization issuing the certificate.

(iv) The organization must have a balanced representation such that the individuals from the same health care discipline, the voting public members, and any other appointed individuals have an equal say in matters relating to credentialing and/or examinations.

(v) The organization must select representatives of the discipline using one of the following recommended methods, or demonstrate that it has a selection process that meets the intent of these methods:

(A) Be selected directly by members of the discipline eligible to practice in the United States;

(B) Be selected by members of a membership organization representing the discipline or by duly elected rep-

resentatives of a membership organization; or

(C) Be selected by a membership organization representing the discipline from a list of acceptable candidates supplied by the credentialing body.

(vi) The organization shall use formal procedures for the selection of members of the governing body that prohibit the governing body from selecting a majority of its successors. Not-for-profit corporations which have difficulty meeting this requirement may provide in their applications evidence that the organization is independent, and free of material conflicts of interest regarding whether an alien receives a visa.

(vii) The organization shall be separate from the accreditation and educational functions of the discipline, except for those entities recognized by the Department of Education as having satisfied the requirement of independence.

(viii) The organization shall publish and make available a document which clearly defines the responsibilities of the organization and outlines any other activities, arrangements, or agreements of the organization that are not directly related to the certification of health care workers.

(2) *Resources of the organization.* (i) The organization shall demonstrate that its staff possess the knowledge and skills necessary to accurately assess the education, work experience, licensure of health care workers, and the equivalence of foreign educational institutions, comparable to those of United States-trained health care workers and institutions.

(ii) The organization shall demonstrate the availability of financial and material resources to effectively and thoroughly conduct regular and ongoing evaluations on an international basis.

(iii) If the health care field is one for which a majority of the states require a predictor test, the organization shall demonstrate the ability to conduct examinations in those countries with educational and evaluation systems comparable to the majority of states.

(iv) The organization shall have the resources to publish and make available general descriptive materials on

the procedures used to evaluate and validate credentials, including eligibility requirements, determination procedures, examination schedules, locations, fees, reporting of results, and disciplinary and grievance procedures.

(3) *Candidate evaluation and testing mechanisms.* (i) The organization shall publish and make available a comprehensive outline of the information, knowledge, or functions covered by the evaluation/examination process, including information regarding testing for English language competency.

(ii) The organization shall use reliable evaluation/examination mechanisms to evaluate individual credentials and competence that is objective, fair to all candidates, job related, and based on knowledge and skills needed in the discipline.

(iii) The organization shall conduct ongoing studies to substantiate the reliability and validity of the evaluation/examination mechanisms.

(iv) The organization shall implement a formal policy of periodic review of the evaluation/examination mechanism to ensure ongoing relevance of the mechanism with respect to knowledge and skills needed in the discipline.

(v) The organization shall use policies and procedures to ensure that all aspects of the evaluation/examination procedures, as well as the development and administration of any tests, are secure.

(vi) The organization shall institute procedures to protect against falsification of documents and misrepresentation, including a policy to request each applicant's transcript(s) and degree(s) directly from the educational licensing authorities.

(vii) The organization shall establish policies and procedures that govern the length of time the applicant's records must be kept in their original format.

(viii) The organization shall publish and make available, at least annually, a summary of all screening activities for each discipline including, at least, the number of applications received, the number of applicants evaluated, the number receiving certificates, the number who failed, and the number receiving renewals.

(4) *Responsibilities to applicants applying for an initial certificate or renewal.* (i)

The organization shall not discriminate among applicants as to age, sex, race, religion, national origin, disability, or marital status and shall include a statement of nondiscrimination in announcements of the evaluation/examination procedures and renewal certification process.

(ii) The organization shall provide all applicants with copies of formalized application procedures for evaluation/examination and shall uniformly follow and enforce such procedures for all applicants. Instructions shall include standards regarding English language requirements.

(iii) The organization shall implement a formal policy for the periodic review of eligibility criteria and application procedures to ensure that they are fair and equitable.

(iv) Where examinations are used, the organization shall provide competently proctored examination sites at least once annually.

(v) The organization shall report examination results to applicants in a uniform and timely fashion.

(vi) The organization shall provide applicants who failed either the evaluation or examination with information on general areas of deficiency.

(vii) The organization shall implement policies and procedures to ensure that each applicant's examination results are held confidential and delineate the circumstances under which the applicant's certification status may be made public.

(viii) The organization shall have a formal policy for renewing the certification if an individual's original certification has expired before the individual first seeks admission to the United States or applies for adjustment of status. Such procedures shall be restricted to updating information on licensure to determine the existence of any adverse actions and the need to reestablish English competency.

(ix) The organization shall publish due process policies and procedures for applicants to question eligibility determinations, examination or evaluation results, and eligibility status.

(x) The organization shall provide all qualified applicants with a certificate in a timely manner.

§ 212.15

(5) *Maintenance of comprehensive and current information.* (i) The organization shall maintain comprehensive and current information of the type necessary to evaluate foreign educational institutions and accrediting bodies for purposes of ensuring that the quality of foreign educational programs is equivalent to those training the same occupation in the United States. The organization shall examine, evaluate, and validate the academic and clinical requirements applied to each country's accrediting body or bodies, or in countries not having such bodies, of the educational institution itself.

(ii) The organization shall also evaluate the licensing and credentialing system(s) of each country or licensing jurisdiction to determine which systems are equivalent to that of the majority of the licensing jurisdictions in the United States.

(6) *Ability to conduct examinations fairly and impartially.* An organization undertaking the administration of a predictor examination, or a licensing or certification examination shall demonstrate the ability to conduct such examination fairly and impartially.

(7) *Criteria for awarding and governing certificate holders.* (i) The organization shall issue a certificate after the education, experience, license, and English language competency have been evaluated and determined to be equivalent to their United States counterparts. In situations where a United States nationally recognized licensure or certification examination, or a test predicting the success on the licensure or certification examination, is offered overseas, the applicant must pass the examination or the predictor test prior to receiving certification. Passage of a test predicting the success on the licensure or certification examination may be accepted only if a majority of states (and Washington, DC) licensing the profession in which the alien intends to work recognize such a test.

(ii) The organization shall have policies and procedures for the revocation of certificates at any time if it is determined that the certificate holder was not eligible to receive the certificate at the time that it was issued. If the organization revokes an individual's certificate, it must notify the DHS, via the

Nebraska Service Center, and the appropriate state regulatory authority with jurisdiction over the individual's health care profession. The organization may not reissue a certificate to an individual whose certificate has been revoked.

(8) *Criteria for maintaining accreditation.* (i) The organization shall advise the DHS of any changes in purpose, structure, or activities of the organization or its program(s).

(ii) The organization shall advise the DHS of any major changes in the evaluation of credentials and examination techniques, if any, or in the scope or objectives of such examinations.

(iii) The organization shall, upon the request of the DHS, submit to the DHS, or any organization designated by the DHS, information requested of the organization and its programs for use in investigating allegations of non-compliance with standards and for general purposes of determining continued approval as an independent credentialing organization.

(iv) The organization shall establish performance outcome measures that track the ability of the certificate holders to pass United States licensure or certification examinations. The purpose of the process is to ensure that certificate holders pass United States licensure or certification examinations at the same pass rate as graduates of United States programs. Failure to establish such measures, or having a record showing an inability of persons granted certificates to pass United States licensure examinations at the same rate as graduates of United States programs, may result in a ground for termination of approval. Information regarding the passage rates of certificate holders shall be maintained by the organization and provided to HHS on an annual basis, to the DHS as part of the 5-year reauthorization application, and at any other time upon request by HHS or the DHS.

(v) The organization shall be in ongoing compliance with other policies specified by the DHS.

(1) *DHS review of the performance of certifying organizations.* The DHS will review credentialing organizations every 5 years to ensure continued compliance with the standards described in

this section. Such review will occur concurrent with the adjudication of a request for reauthorization to issue health care worker certificates. The DHS will notify the credentialing organization in writing of the results of the review and request for reauthorization. The DHS may conduct a review of the approval of any request for authorization to issue certificates at any time within the 5-year period of authorization for any reason. If at any time the DHS determines that an organization is not complying with the terms of its authorization or if other adverse information relating to eligibility to issue certificates is developed, the DHS may initiate termination proceedings.

(m) *Termination of certifying organizations.* (1) If the DHS determines that an organization has been convicted, or the directors or officers of an authorized credentialing organization have individually been convicted of the violation of state or federal laws, or other information is developed such that the fitness of the organization to continue to issue certificates or certified statements is called into question, the DHS shall automatically terminate authorization for that organization to issue certificates or certified statements by issuing to the organization a notice of termination of authorization to issue certificates to foreign health care workers. The notice shall reference the specific conviction that is the basis of the automatic termination.

(2) If the DHS determines that an organization is not complying with the terms of its authorization or other adverse information relating to eligibility to issue certificates is uncovered during the course of a review or otherwise brought to the DHS' attention, or if the DHS determines that an organization currently authorized to issue certificates or certified statements has not submitted an application or provided all information required on the request within 6 months of July 25, 2003, the DHS will issue a Notice of Intent to Terminate authorization to issue certificates to the credentialing organization. The Notice shall set forth reasons for the proposed termination.

(i) The credentialing organization shall have 30 days from the date of the Notice of Intent to Terminate author-

ization to rebut the allegations, or to cure the noncompliance identified in the DHS's notice of intent to terminate.

(ii) DHS will forward to HHS upon receipt any information received in response to a Notice of Intent to Terminate an entity's authorization to issue certificates. Thirty days after the date of the Notice of Intent to Terminate, the DHS shall forward any additional evidence and shall request an opinion from HHS regarding whether the organization's authorization should be terminated. The DHS shall accord HHS' opinion great weight in determining whether the authorization should be terminated. After consideration of the rebuttal evidence, if any, and consideration of HHS' opinion, the DHS will promptly provide the organization with a written decision. If termination of credentialing status is made, the written decision shall set forth the reasons for the termination.

(3) An adverse decision may be appealed pursuant to 8 CFR 103.3 to the Associate Commissioner for Examinations. Termination of credentialing status shall remain in effect until and unless the terminated organization re-applies for credentialing status and is approved, or its appeal of the termination decision is sustained by the Administrative Appeals Office. There is no waiting period for an organization to re-apply for credentialing status.

(n) *Transition*—(1) *One year waiver.* (i) Pursuant to section 212(d)(3) of the Act (and, for cases described in paragraph (d)(1) of this section, upon the recommendation of the Secretary of State), the Secretary has determined that until July 26, 2004 (or until July 26, 2005, in the case of a citizen of Canada or Mexico who, before September 23, 2003, was employed as a TN or TC nonimmigrant health care worker and held a valid license from a U.S. jurisdiction), DHS, subject to the conditions in paragraph (n)(2) of this section, may in its discretion admit, extend the period of authorized stay, or change the nonimmigrant status of an alien described in paragraph (d)(1) or paragraph (d)(2) of this section, despite the alien's inadmissibility under section 212(a)(5)(C) of the Act, provided the alien is not otherwise inadmissible.

(ii) After July 26, 2004 (or, after July 26, 2005, in the case of a citizen of Canada or Mexico, who, before September 23, 2003, was employed as a TN or TC nonimmigrant health care worker and held a valid license from a U.S. jurisdiction), such discretion shall be applied on a case-by-case basis.

(2) *Conditions.* Until July 26, 2004 (or until July 26, 2005, in the case of a citizen of Canada or Mexico, who, before September 23, 2003, was employed as a TN or TC nonimmigrant health care worker and held a valid license from a U.S. jurisdiction), the temporary admission, extension of stay, or change of status of an alien described in 8 CFR part 212(d)(1) or (d)(2) of this section that is provided for under this paragraph (n) is subject to the following conditions:

(i) The admission, extension of stay, or change of status may not be for a period longer than 1 year from the date of the decision, even if the relevant provision of 8 CFR 214.2 would ordinarily permit the alien's admission for a longer period;

(ii) The alien must obtain the certification required by paragraph (a) of this section within 1 year of the date of decision to admit the alien or to extend the alien's stay or change the alien's status; and,

(iii) Any subsequent petition or application to extend the period of the alien's authorized stay or change the alien's nonimmigrant status must include proof that the alien has obtained the certification required by paragraph (a) of this section, if the extension or stay or change of status is sought for the primary purpose of the alien's performing labor in a health care occupation listed in paragraph (c) of this section.

(3) *Immigrant aliens.* An alien described in paragraph (a) of this section, who is coming to the United States as an immigrant or is applying for adjustment of status pursuant to section 245 of the Act (8 U.S.C. 1255), to perform labor in a health care occupation described in paragraph (c) of this section, must submit the certificate or certified statement as provided in this section at the time of visa issuance or adjustment of status.

(4) *Expiration of certificate or certified statement.* The individual's certification or certified statement must be used for any admission into the United States, change of status within the United States, or adjustment of status within 5 years of the date that it is issued.

(5) *Revocation of certificate or certified statement.* When a credentialing organization notifies the DHS, via the Nebraska Service Center, that an individual's certification or certified statement has been revoked, the DHS will take appropriate action, including, but not limited to, revocation of approval of any related petitions, consistent with the Act and DHS regulations at 8 CFR 205.2, 8 CFR 214.2(h)(11)(iii), and 8 CFR 214.6(d)(5)(iii).

§ 212.16 Applications for exercise of discretion relating to T non-immigrant status.

(a) *Filing the waiver application.* An alien applying for the exercise of discretion under section 212(d)(13) or (d)(3)(B) of the Act (waivers of inadmissibility) in connection with an application for T nonimmigrant status shall submit the request on the form designated by USCIS, with the appropriate fee in accordance with § 103.7(b)(1) of this chapter or an application for a fee waiver, to USCIS with the application for status under section 101(a)(15)(T)(i) of the Act.

(b) *Treatment of waiver application.* (1) USCIS shall determine whether a ground of inadmissibility exists with respect to the alien applying for T non-immigrant status. If a ground of inadmissibility is found, USCIS shall determine if it is in the national interest to exercise discretion to waive the ground of inadmissibility, except for grounds of inadmissibility based upon sections 212(a)(3), 212(a)(10)(C) and 212(a)(10)(E) of the Act, which USCIS may not waive. Special consideration will be given to the granting of a waiver of a ground of inadmissibility where the activities rendering the alien inadmissible were caused by or incident to the victimization described under section 101(a)(15)(T)(i) of the Act.

(2) In the case of applicants inadmissible on criminal and related grounds under section 212(a)(2) of the Act, USCIS will only exercise its discretion in exceptional cases unless the criminal activities rendering the alien inadmissible were caused by or were incident to the victimization described under section 101(a)(15)(T)(i) of the Act.

(3) An application for waiver of a ground of inadmissibility for T nonimmigrant status (other than under section 212(a)(6) of the Act) will be granted only in exceptional cases when the ground of inadmissibility would prevent or limit the ability of the applicant to adjust to permanent resident status after the conclusion of 3 years.

(4) USCIS shall have sole discretion to grant or deny a waiver, and there shall be no appeal of a decision to deny a waiver. However, nothing in this paragraph (b) is intended to prevent an applicant from re-filing a request for a waiver of a ground of inadmissibility in appropriate cases.

(c) *Incident to victimization.* When an applicant for status under section 101(a)(15)(T) of the Act seeks a waiver of a ground of inadmissibility under section 212(d)(13) of the Act on grounds other than those described in sections 212(a)(1) and (a)(4) of the Act, the applicant must establish that the activities rendering him or her inadmissible were caused by, or were incident to, the victimization described in section 101(a)(15)(T)(i)(I) of the Act.

(d) *Revocation.* The Service may at any time revoke a waiver previously authorized under section 212(d) of the Act. Under no circumstances shall the alien or any party acting on his or her behalf have a right to appeal from a decision to revoke a waiver.

[67 FR 4795, Jan. 31, 2002, as amended at 76 FR 53788, Aug. 29, 2011]

§ 212.17 Applications for the exercise of discretion relating to U nonimmigrant status.

(a) *Filing the waiver application.* An alien applying for a waiver of inadmissibility under section 212(d)(3)(B) or (d)(14) of the Act (waivers of inadmissibility), 8 U.S.C. 1182(d)(3)(B) or (d)(14), in connection with a petition for U nonimmigrant status being filed pursuant to 8 CFR 214.14, must submit the

waiver request and the petition for U nonimmigrant status on the forms designated by USCIS in accordance with the form instructions. An alien in U nonimmigrant status who is seeking a waiver of section 212(a)(9)(B) of the Act, 8 U.S.C. 1182(a)(9)(B) (unlawful presence ground of inadmissibility triggered by departure from the United States), must file the waiver request prior to his or her application for re-entry to the United States in accordance with the form instructions.

(b) *Treatment of waiver application.* (1) USCIS, in its discretion, may grant the waiver based on section 212(d)(14) of the Act, 8 U.S.C. 1182(d)(14), if it determines that it is in the public or national interest to exercise discretion to waive the applicable ground(s) of inadmissibility. USCIS may not waive a ground of inadmissibility based upon section 212(a)(3)(E) of the Act, 8 U.S.C. 1182(a)(3)(E). USCIS, in its discretion, may grant the waiver based on section 212(d)(3) of the Act, 8 U.S.C. 1182(d)(3), except where the ground of inadmissibility arises under sections 212(a)(3)(A)(i)(I), (3)(A)(ii), (3)(A)(iii), (3)(C), or (3)(E) of the Act, 8 U.S.C. 1182(a)(3)(A)(i)(I), (3)(A)(ii), (3)(A)(iii), (3)(C), or (3)(E).

(2) In the case of applicants inadmissible on criminal or related grounds, in exercising its discretion USCIS will consider the number and severity of the offenses of which the applicant has been convicted. In cases involving violent or dangerous crimes or inadmissibility based on the security and related grounds in section 212(a)(3) of the Act, USCIS will only exercise favorable discretion in extraordinary circumstances.

(3) There is no appeal of a decision to deny a waiver. However, nothing in this paragraph is intended to prevent an applicant from re-filing a request for a waiver of ground of inadmissibility in appropriate cases.

(c) *Revocation.* The Secretary of Homeland Security, at any time, may revoke a waiver previously authorized under section 212(d) of the Act, 8 U.S.C. 118(d). Under no circumstances will the alien or any party acting on his or her

Department of Homeland Security

behalf have a right to appeal from a decision to revoke a waiver.

§ 212.18 Applications for waivers of inadmissibility in connection with an application for adjustment of status by T nonimmigrant status holders.

(a) *Filing the waiver application.* An alien applying for a waiver of inadmissibility under section 245(l)(2) of the Act in connection with an application for adjustment of status under 8 CFR 245.23(a) or (b) must submit:

(1) A completed Form I-485 application package;

(2) The appropriate fee in accordance with 8 CFR 103.7(b)(1) or an application for a fee waiver; and, as applicable,

(3) Form I-601, Application for Waiver of Grounds of Excludability.

(b) *Treatment of waiver application.* (1) USCIS may not waive an applicant's inadmissibility under sections 212(a)(3), 212(a)(10)(C), or 212(a)(10)(E) of the Act.

(2) If an applicant is inadmissible under sections 212(a)(1) or (4) of the Act, USCIS may waive such inadmissibility if it determines that granting a waiver is in the national interest.

(3) If any other provision of section 212(a) renders the applicant inadmissible, USCIS may grant a waiver of inadmissibility if the activities rendering the alien inadmissible were caused by or were incident to the victimization and USCIS determines that it is in the national interest to waive the applicable ground or grounds of inadmissibility.

(c) *Other waivers.* Nothing in this section shall be construed as limiting an alien's ability to apply for any other waivers of inadmissibility for which he or she may be eligible.

(d) *Revocation.* The Secretary of Homeland Security may, at any time, revoke a waiver previously granted through the procedures described in 8 CFR 103.5.
